6. Volunteer Checks-Chad Schmitz
 - Softball went forward with volunteer checks last year \$100 each family, baseball did not implement it.
 - Both sides will be implementing volunteer checks this summer.
7. Florida 2024-Tamsen Leimer
 - we should try to have dates and estimated numbers by April 2023 if at all possible.
 - Tamsen emailed Space Coast Training (the group in FL that we organize the trip through) and they said the 2024 applications would be available in April 2023, and the sooner we get them in, the better, to have better hotel options.
 - Also inquired about all of our teams being able to stay at the Best Western, Cocoa Beach (where the softball team stayed last trip) and it sounded like it might be possible, but we need to get in our application as soon as we can. Which means we need to pick dates. With a full week of spring break in 2024 that should help.
 - What do we need to do to pick dates?
