GOLF OUTING

For each of the past seven years, the Anoka Football Family has kicked off the new season by getting together a group of alumni, parents, players, sponsors, and supporters of the program to play some golf. This is a great opportunity to connect our past with our present and ensure that we continue to build toward an exciting and dominant future with Anoka Football. We would love for you to be part of this amazing event this year as we look to work each day to **EARN IT** as a team, program, and community.
