

College Park High School Softball Project
Located at the Southern edge of campus in left field of our softball facility.

Cage dimensions in chain link fencing and poles.
Overall 12 feet wide x 130 feet long x 10 feet high.

Two 12x60 cages. In the center a 12x10 storage area.

Access to cages will be a min gate on the North fence of the storage area.
The cages will then be accessed from gates on the inside of the storage area leading to each cage.
