

Justin Heins
North Fayette Valley

How long have you been at your current school? Pretty much my whole life....Grew up in West Union...attending North Fayette, came back after playing football at UNI....have been Teaching and Coaching here for 14 years

What was your coaching path to your current school? Student Assistant at UNI in 2005, Assistant here from 2006-2018, Defensive Coordinator '08-'18, Head Coach 2019-20

What is an earliest memory that helps us understand how you fell in love with football? I have Absolutely loved Football my entire life. I had two older brothers to play with and a great group of guys around the neighborhood that we played ball with constantly growing up.

Which coach had the greatest impact on you growing up? Ron Wymer

If you could pick one aspect of your coaching career that you are the most proud of, what would it be? That would have to be our 2014 State Championship. We had been so close a number of different times and just a great group of players and coaches to finally pull through with

What is one aspect of the 2020 season that went really well for you? Not Much....COVID issues really screwed up what was a promising year for us...hopefully some extra playing time for younger players pays off in the future

Which coaches are on speed dial for help and why? I have a really great staff that I can call on anytime and Ron Wymer is always there for me to call after a tough loss or for insight on dealing with anything really
