

CENTERVILLE HUSTLE BASKETBALL

2025-2026 Boys Intermediate League (Grades 7-10)

Boys Middle School Program 7th and 8th Grades

Boys High School Program 9th and 10th Grades

Number of leagues may change depending on registrations

The Centerville Hustle Intermediate Basketball league is open to players of any skill level who reside in Centerville or Washington Township. The Intermediate Programs are extensions of our K-6 recreational leagues and we strive to extend the fundamentals of basketball, teamwork, and good sportsmanship appropriate for middle and high-school students. Our primary goals are **player development** and making the game **fun**. Each team will have one practice on a weekday evening and one or two games on the weekend throughout the winter months.

In this league, teams are selected by coaches using the following framework:

Each head coach may have their child, plus two automatic selections, "keepers", that will include any assistant coaches children if coaching pairs are requested. Coaches will then do a round by round selection of the remaining players until all players have been assigned.

Depending on the number of registrations, we may combine grades to ensure adequate teams as we have done in the past (7th & 8th grades and 9th & 10th grades)
