Review of details in VSAHA's Transfer and Release Policy

Review of VSAHA By-laws section 4.01 (Residency requirements for eligibility for State Tournament competition).

Review/Discussion around VSAHA's Combined Teams Policy

Discussion around the possibility of VSAHA policy changes: Suggested policy changes can be submitted to VSAHA via our state rep.

Discussion around other VSAHA hockey organizations who have similar number problems at various age levels. They're starting to get creative with other organizations to combine teams and present the proposal for a combined team to VSAHA. Combined team approval by VSAHA for state tournament play would likely be based on number of VT resident players vs. NH resident players. Teams can also be combined and play a VT schedule but not be eligible for the VT state tournament.
