The softball committee understands this year is a very difficult situation for many families due to the pandemic. We also understand that not everyone will agree with the decision to have tryouts this fall in a year when not all players were able to participate. The decision to have them is in the best interest of player development for all players in our communities. Forming these teams this season allows the players to continue to practice and grow over the fall/winter months. We will continue to operate to benefit the majority of our players with tryouts this fall to prepare ourselves the best we can for next season. We anticipate having multiple teams at each age level.

If you have questions or concerns regarding tryouts please contact Mark Lund at mlund2@new.rr.com

Interested in COACHING? Please email Mark Lund (mlund2@new.rr.com) with the age level and position interested in. The softball committee will review the coaches and select them this fall. Note: coaches children must go through tryouts and are NOT guaranteed a spot.

Thank you

Mark Lund – GYS/HYS Softball Tournament Team Coordinator
