A MESSAGE FROM Impact President, Becki Prigg

I hope you all enjoyed a restful December in advance of revving up into winter training! This is always one of my favorite seasons as we sit down together and start planning for a fresh calendar year. I was reflecting on the fall season we just completed, and I wanted to highlight a few things that were significant to me this year.

A few weeks ago, I was sitting at a tournament watching my own son play when I received a phone call from a referee crew out of Union County who I've worked with in the past. They took the time to call to tell me about an experience they'd just had with one of our coaches. They raved about her conduct on the sideline as well as the way she bolstered her team by praising the positive movements and coaching through the mistakes. I want to publicly give a shout out to Coach Laurie Gwaltney for being such an excellent representative of our Club. We have great coaches working with your players, and Coach Gwaltney is certainly one of them!

Another highlight was during a game in Louisville, KY. We were out of state playing in a tournament when the sideline referee turned around and addressed our parents. Usually, that's not a good thing – but this time, it was! He said that he just wasn't used to parents being so positive and kind to both teams, and that he wished we could train other parents how to behave in that setting. What a proud moment for Impact!

These are just two examples of how we have the opportunity every outing to represent our club in the best way. We are always on display, whether we realize it or not. Choose to be a positive ambassador at every game, in every setting – every time!

Looking forward to seeing you all again soon.

A MESSAGE FROM The Director of Coaching, Bobby Holden

I hope everyone is having a wonderful holiday season with friends and family! Enjoy your break; rest, relax, and recharge.

Next week (Jan 2nd) we start indoor training at Realife Sports Complex at 5151 W. US 40 Greenfield, IN. Please see your team's PlayMetrics calendar for your team's schedule. Your coach can provide more specific details if needed.

Also, many of our coaches and directors will be gone January 10-14th to the United Soccer Coaches' Convention to further our coaching education. We attend sessions, earn licenses, and connect with other coaches to deepen our understanding of the game. You may notice some coaches missing from RC during that week, so we wanted to let you know where we'll be. We are excited to bring back what we learn to our teams to take them to the next level!

I'm looking forward to starting this next phase of training and to see all of the teams at RC!
