Dear League Families-

Volunteering is about giving back. It's a way to pay-it-forward, if you will. Volunteering at WYLLL provides baseball to over 400 kids. The survival of Little League Baseball, in a time where there are other local baseball options, depends on volunteerism in order to thrive. If you are looking for ways to give back to our community and our League, we would love to talk to you about the opportunities available on the West Yorba Linda Little League Board of Directors.

Serving on the Board is a minimum a two-year commitment. There are monthly meetings to attend, always in the evening. December and January are busy months and typically require multiple monthly meetings to get the season up and running.

In addition to your official job duties, Board members are asked to open and close the snack shack/fields, or set up the barbeque area (Saturday's only) during the season. During All-Stars, the Board is responsible for prepping the fields for play, preparing the snack shack and helping District officials set-up. WYLLL has hosted All Stars for decades because our Board members continually provide an amazing environment for kids and families from our District.

There are a variety of positions within the Board from which to serve. Positions are assigned based on the needs of the league and strengths of the individuals considered.

Nothing is more rewarding than giving one's time back to our youth in a way that helps them to grow and succeed for years to come. While baseball is the instrument for teaching, it is the lessons learned from baseball that will impact our youth as they become adults.

Anyone interested in more information or would like to be officially considered for a 2020-2021 Board of Directors position, please contact League President, Brian Gladue
briangladue4wylll@gmail.com

The deadline for consideration is Monday, September 7, 2020.
