

Welcome to Arapahoe High School Spring Baseball! At AHS, we are known for our hospitality, and a huge part of that is due to our parent volunteerism. Parent involvement is crucial to a strong season, as it helps the games to run smoothly, allows the coaches to focus on their teams, and creates a great environment for some fantastic baseball. We appreciate and need your support in order to run a successful program.

As such, we implemented a volunteer policy for Spring 2020 to ensure our volunteer positions are filled.

PARENT VOLUNTEER REQUIREMENTS

Each family will volunteer for a minimum of 3 games. In order to ensure that each family participates and no one family has any excess burden, a volunteer deposit of \$250 will be required at spring registration. If you fulfill your requirements, your check will not be deposited and will be shredded (or returned to you, if requested). If your volunteer hours are not met, your check will be cashed at the end of the season.

The volunteer roles and sign-up genius links are available below and on www.arapahoebaseball.com

Volunteer Rules/ Guidelines

-If you find that you have a conflict and cannot volunteer on the game you've selected, we ask that you find a replacement. If you cannot find a replacement, notify your team administrator as soon as possible. We understand that conflicts come up at this busy time of year. However, we need to make sure our games and tournaments run smoothly, and this is only possible with volunteers. If you do not show up for two volunteer slots and no attempt to notify or cancel the slot has been made, then your check will be cashed at season's end. PLEASE communicate with your team administrator.

--There is a Volunteer Shift Sheet located in the Shack. Please sign your name on the Volunteer Shift Sheet when you arrive for your volunteer work. This sheet allows us to accurately track your volunteer hours.

-The Snack Shack is intended for adult volunteers. Please do not volunteer children for adult responsibilities.

-If the game is cancelled, your volunteer duties that you committed to for that game will be considered fulfilled.

We depend on the support of our families to volunteer each season and assist us in providing a high quality baseball experience to our youth. We appreciate you helping us build a baseball community, and your volunteerism allows us to do just that.
