Re: Coaches for the 2019-2020 Season

Hello Hockey Families!

The 2019-2020 hockey season is fast approaching and the DPYH Board along with the Hockey Operations Committee are preparing for the upcoming season. We'd like to take this opportunity to invite all potential coaches, either new or returning, to get signed up for the upcoming season.

The Operation's Committee will conduct interviews for A level head coaching positions in July. Additional interviews for the B and C head coach positions may occur depending on placements after tryouts and how many coaches have a desire to be head coach at those levels.

To participate in DPYH on or off ice hockey season events ALL Coaches are required to complete the requirements as outlined by USA Hockey, WAHA, and DPYH. Coaches are required to have the following

- Register as a Member of USA Hockey (Before Fall Warm-up)
- USA Hockey Coaching Certification (Before End of 2019)
- USA Hockey Age Specific Module per the level of play (Before Team Practice)
- USA Hockey Safe Sport Training (Before Team Practice)
- WAHA Background Screening (Before Team Practice)
- DPYH Background Screening (Before Team Practice)

The Operations Committee will be available to help all coaches to insure the proper level of certifications are met. The costs associated with obtaining coaching credentials are reimbursed by DPYH.

Attached is an application that we ask all perspective coaches to fill out and return to the DPYH Ace Coordinator by June 15th, 2019. All applications will need to be submitted to the DPYH ACE Coordinator via email at dpyh.ace.coordinator@gmail.com.

Should you have any questions regarding becoming a coach for DPYH please feel free to contact the Ace Coordinator or any member of the Operations Committee.

Coaching for DPYH Hockey is a very fun and rewarding experience! We hope that you take this opportunity either as a returning coach or new to the program!

Thank you all for your consideration! We are looking forward to working with you this season!
