

Marshfield Columbus Dons

2021 Basketball Summer School

The Columbus Catholic High School Basketball Program invites you to participate in our 2021 Basketball Summer School. The school is designed to increase skill development at all levels with an emphasis on the fundamentals of ball handling, shooting, and footwork. The off-season is the best time to gain ground on your competition. Committing for one week is great. Committing all summer could make you elite.

Camp Director:

All sessions will be led by Marshfield Columbus Boys Basketball Coach Joe Konieczny. Joe is entering his 17th season as the Head Coach at Columbus. In the past 16 seasons, the Columbus Boys have won 9 conference championships and 8 regional championships. They have played in 5 sectional finals and 2 state tournaments, finishing as state runner-up in 2019. Their success is based primarily on off-season dedication to improvement of the skills stressed at this camp.

Camp Information

The basketball school will be held for all boys and girls entering grades 1-9. The school consists of 4 weeks, with 4 workouts per week. There will be a 1-week break around the 4th of July. All sessions will be held at Columbus Catholic High School.

The purpose of the 4-week program is to instill in young players that consistent effort *over time* leads to large improvements. Every summer, many players attend a 1-week basketball camp, but then fail to continue their efforts after that 1 week. This program is designed to make sure campers understand the importance of consistency in their workouts.

Leave Better Promise

EVERY camper will leave with a workout plan to be used from the conclusion of camp until the start of their 2021-2022 season. EVERY camper will leave knowing their success is up to them. There are no short cuts. The players who achieve high levels of success do so because they are *disciplined* and *accountable*. To be great, you have to work hard even on the days you may not feel like it. Don't blend in. **STAND OUT.** This camp will give you tools to do so.

Central Wisconsin teams have had great high school basketball success recently. Let's keep it going. We hope to see you in the gym this summer!

To ensure maximum repetitions and distancing, each session will be capped at 35 players.
