- Fee Increase - We have had a slight fee increase this year due to two reasons. 1.) KCYHA fee has increased from \$100 to \$125 per player, and 2.) The Kansas City Mavericks Golf Tournament proceeds are now being split three ways between the Jr Mavs, KC Mavs Travel and KCYHA. Previously, this tournament was exclusive to the Jr Mavs and projected profits were allocated into our budget at the beginning of the season to reduce fees for our families. Now that our program has lost 66% of this profit, it has raised our fees. We apologize for the inconvenience. If the Jr Mavs portion of the golf tournament raises more than our budgeted amount, we will evenly distribute the difference by crediting each Jr Mavs players' account that is in good standing.
- Sibling Discount - This year we are offering a 5% discount for siblings, starting with the second player registered. The first player pays for the full registration fee, and the discount will be

applied to the lowest registration fee. This is valid only for siblings playing within the Jr. Mavs organization (does not apply for any players in the travel division). Please contact Ben Fortner at bfortner@outlook.com to register siblings.

- **Goalie Discount** - We are offering a \$400 discount for dedicated goalies (Squirt - Bantam). All goalies must have their own set of goalie gear to use. Dedicated goalies will split time with any other registered goalies for that division/team. If no other goalies register within that division and/or team, your player will be the full time goalie.

Please note: *Discounts cannot be combined for the same player.*

REGISTRATION: Registration for the House leagues will open in August and close on September 4th. There will be an additional \$50.00 charge for any registrations received after September 4th. All players will register through the KCYHA website (www.kcyouthhockey.com). Every player must have a current USA Hockey number in order to register (must be renewed annually). You can register or renew your USA Hockey number at www.usahockey.com/memberships (click on the USA Hockey Registration link).

EQUIPMENT: Full protective hockey equipment is required to participate. Each House player (Squirt and above) will be required to purchase two game jerseys (home and away) and one pair of socks at the beginning of the season. These are yours to keep until the player either outgrows or needs another jersey. All 8U players will be provided with a jersey and socks for the season to keep. Please refer to the "Jersey/Equipment Policy" sheet for more detailed information.

* Jersey fittings dates are scheduled for August 24th and September 7th.
