Each Team/Player Receives:

- * Coaching Equipment for each team
- * 2 Leagues (1-Fall & 1-Winter) and up to 7 tournaments
- * or 1 League and up to 10 tournaments

All players attending tryouts are strongly urged to attend the tryout date and time for their specific grade (next school year). Players that absolutely cannot make that time are welcome to attend the make-up tryout or a day and time for one of the other grades. However, if not attending the tryout for their grade, we will not have the opportunity to see them compete against others vying for the same spots and we likely won't be able to evaluate them in live scrimmage competition. It is highly recommended, if at all possible, that the player attend the scheduled tryout for their grade for the best opportunity to be evaluated and seen against other players.

There will be a mandatory informational presentation at the beginning of each tryout. The meeting will last 15 to 20 minutes and will cover a number of important topics that will allow for a better understanding of program mission, opportunities, costs, expectations and overall experience. Due to time sensitivity of determining the Elkhorn Attack Boys All-Stars & Elkhorn Elite Girls All-Stars select teams, we will not offer a make-up date for All-Stars players.

For Attack boys and Elite girls teams, a full refund of your deposit payment is available if you decline your position on the team you are offered within 48 hours of being offered. For Attack All-Stars & Elite All-Stars, once a position is accepted by locking-in payment, no refunds are provided.
