

Rules:

Because we have many parties going each day, we feel it necessary to have a list of rules for you to follow. We believe these rules will help your party run more smoothly.

- **The birthday child should be included as one of the people attending.**
- Clean, dry socks or bare feet and athletic clothing recommended. Please no clothing zippers and buckles.
- **Parents dropping off their kids must return 15 minutes prior to the end of the party to pick them up.**
- You must remain on the premises until every child in your party has safely left the facility.
- **Your party is scheduled for 1 3/4 hours. In consideration for the next party, we require that you begin gathering items and putting on shoes 5-10 minutes before the conclusion of the party for a timely conclusion.**
- All party attendants must have a parent sign a release form upon drop off.
- **Adults are not allowed on any of the equipment.**

Families must be out of facility by the end of their party time (5:15 PM) otherwise a \$50 fee will be added to original cost (due hourly wages to coaches and admins), so please make sure to have about 5-10 min prior the party ends to load all your belongings in the car

**** \$50 CANCELLATION/REBOOKING FEE IF PARTY IS CANCELLED OR RESCHEDULED AT LEAST 14 DAYS PRIOR TO**
