

## 2023-2024 SPONSORSHIP LETTER

Dear Community Sponsor:

The 2023-2024 hockey season is open and Nikiski Hockey Association is already working hard on and off the ice for another great season of youth hockey.

Over the last few years, our program has grown tremendously. We have expanded from one team to six, have brought championship titles home from several tournaments and have consistently improved the skill level of all our players. More importantly, we have seen players grow into exceptional young people:

- they have consistently shown compassion and respect to opposing teams
- they have supported their own teammates on and off the ice
- they have learned to win and lose graciously
- they have emerged as leaders

We are all immensely proud of these young men and women and are excited to see them continue to grow.

One of our deepest commitments is to keep hockey affordable for the families in our community. To that end, we have set low registration fees, we offer scholarships for families in need of financial assistance, and we have a “share shed” loaner gear closet for families that may need help getting their player outfitted for hockey. For us to continue to offer these forms of support, we are reaching out to ask for help from our community. Nikiski Hockey is asking you to consider supporting our program financially. We would greatly appreciate the help! We do operate as a non-profit organization and are able to offer tax receipts for your donation.

Our sponsorship levels are listed on the reverse side of this letter. Please select which level you would like to sponsor the Nikiski Hockey Association. You may mail your check, along with this completed form, to us at:
