

## COVID- Off Ice Procedures

- Coaches and Players must be screened and have temperature checked.
- Players must wear masks during screening and outside of training room.
- You can only enter Off Ice 5 minutes prior to your scheduled camp and must exit within 5 minutes of end of camp.
- Parents are not allowed to observe or sit in lobby or meeting room. Drop off/Pick up only, must stay in car unless assisting a younger child at screening. If parent assists player, they must be wearing a mask.
- Groups of no more than 10 (coach and player total) allowed in the training area.
- Beginning July two camp groups can be training in divided areas of training facility; max of 20.
- Common areas (meeting room, lobby) will not be open for use.
- No food or snacks allowed.
- The Off Ice Facility will have several hand sanitizing stations throughout.
- Shared equipment (limited amount) will be cleaned prior to each use.

**Always bring your labeled water bottle and stay home if not feeling well!**
