

## Monthly Calendar Fundraiser – Xcel Volleyball

We are excited to launch a **Monthly Calendar Fundraiser through Omella** to help offset player dues for the upcoming season. This is a great way to lower out-of-pocket costs while giving family, friends, and supporters an easy way to contribute directly to your athlete.

### About Omella:

Omella is a secure, user-friendly fundraising platform trusted by schools, nonprofits, and sports teams across the country. It makes giving simple, safe, and fee-free for donors, so 100% of contributions go toward your athlete's fees. Parents and supporters can donate in just a few clicks, and players can track their progress in real time.

Omella was **founded by the same team that created Remind**, the communication tool already trusted by thousands of schools and families. With that same focus on safety, reliability, and ease of use, Omella is a platform you can feel confident using.

### Next Steps for Parents:

1. Create an account for your athlete on Omella. This is the only way supporters can donate directly to their fees.

2. Set up your athlete's profile so you can begin sharing and fundraising right away.

This is a simple and effective opportunity to ease the financial commitment of the season while engaging your athlete's support network. With Omella, fundraising is safe, transparent, and easy for everyone involved!
