

PLAYING TIME GUIDELINES

U9/U10 Program

- If a player regularly attends training sessions, displays good attitude and effort to learn and improve, he/she will receive appropriate playing time.
- Players should have opportunities to start multiple games.

U11-U19 Classic

- If a player regularly attends training sessions, displays good attitude and effort to learn and improve, he/she will receive appropriate playing time.
- Players should have opportunities to start multiple games.

U10-U16 Elite

- Playing time is based on attendance, attitude, commitment, effort, and ability.
- Playing time may not be equal based on the above factors.
- Players should have opportunities to start multiple games.

U17-U19 Elite

- There is no playing time guideline for this age group. At the U17 and U19 Elite age groups, each player will have opportunities to start games during the season, unless there are certain factors that must be taken into consideration.
- Playing time is based on attendance, attitude, commitment, effort, and ability.
- Playing time may not be equal based on the above factors.
