

Tri-County T-Ball Rules 2023

League play follows NFHS Rules with exceptions and additions that follow.

General Rules (all Levels)

1. A player may advance to the next upper division. A player may not drop to a lower division. Placement on a team is by grade, not age.
2. Metal cleats are not allowed.
3. Batting helmets are required to be worn at all times from the time a batter enters the field of play until the batter leaves the field of play. If the helmet is removed on the field before the ball is called dead, the batter is out.
4. A batter throwing a bat or helmet in anger may be benched for the remainder of the game by the umpire. A bat accidentally thrown will generate one team warning. Further occurrences will be called out.
5. Games will be a maximum of six (6) innings. All players must play three full innings of a six inning game, (a full inning is defined as play in the field), unless disciplinary action is being enforced, in which case the umpire must be informed. Players may not sit consecutive innings.
6. There will be no protests.
7. All weekday games will start at the scheduled time.
8. Tobacco, alcohol, or drug use by any players, coaches, or spectators during practices or games is strictly prohibited.
9. Each team will bat the entire roster. No player may sit out consecutive innings on defense.

2023 Kindergarten T-Ball

NFHS & Tri-County General Rules with the following modifications.

1. Games will be played with 10 players on the field, four of which will be outfielders, who must be behind the baseline a minimum of 10 ft or at the grass. Outfielders cannot co-mingle with the infield. If 10 players are not available, games may start with eight players.
2. All players on the roster will bat each inning regardless of the number of outs. The inning ends after the final batter on the roster makes an out, or the ball is thrown to and controlled by the catcher and touches home plate.
 - a. If a batter/runner gets out in the field, they are out and must exit the field. Batters/baserunners should NOT continue to run bases if the defense gets the runner out.
3. Each batter will be allowed as many swings as necessary to put the ball in play in fair territory.
4. Bunting is not allowed. A hit ball must roll six feet in front of the plate to be considered fair.
5. Runners cannot leave base until the ball is hit.
6. Infield fly rule will not apply to T-Ball.
7. Play is dead when an infielder gets the ball AND controls the runner, either by making a play, or running towards the runner to control the play. This will be a judgment call for the umpire. The umpire will return runners to the appropriate base.
8. The pitcher must keep a foot on the rubber until the ball is hit.
9. Base distance will be 60 feet. Home plate to the pitcher's mound will be 40 feet. The 9" safe-t-ball will be used.
10. There will be a 60-minute time limit on all games and practices (game is over at 60 minutes).
 - a. Games will be no longer than 60 minutes unless you are in the middle of an inning and agreed upon by both coaches to finish the batting line up. The game will end after that line up.
 - b. Keep track of time, it is ok to not start a new inning, if you can't finish the full inning within the 60 minute time frame (example, end the game at 50 minutes)
 - c. Teams will have no more than three meetings per week
 - i. Example: If you play 2 games in a week, you would have 1 practice. If you have 1 game, you can have 2 practices, etc.
 - d. Practices should be 60 minutes.
11. Each team will have a team parent designated as team umpire who must receive a copy of these rules. Home team umpire will be base umpire and visiting team umpire will be plate umpire. The plate umpire is considered head umpire.

12. Players shall play a different position in the field each inning. Roster rotation will be ongoing; roster rotation will pick up where it ended in the previous game. This rotation will continue throughout the season
13. There shall be no official score kept. This level is to teach basics and for kids to have fun.
14. Rainouts are encouraged to be rescheduled. Coaches are responsible for coordinating times.
15. Coaches, please remember that this level is about the fun and enjoyment of the game.
