Treasurers report

Public Comment: None

Flag Football Season

Recap: Dan thought the season went well, kids pretty much played evenly time wise

Recommendations: Keep teams as small as possible to give more playtime, numbers on the front of the shirt

Equipment needed: new flags, possibly more criteria on how to make play time evenly, possibly different score boards

Volleyball season

Updates: split teams evenly but still had bickering. Overall good season, new jerseys design was snugger than normal jerseys (meant to be)

Recommendations: possibly split 5th and 6th grades into 2 teams by grade level

Equipment needed: over abundance of volleyballs, do not order more next year!
