Please reply and answer the following questions so that we can determine which clearance process is appropriate.

1. In what month and year did the player move to the U.S.?
2. Has the player lived in the U.S. continuously since the month/year he moved to the U.S.?
3. What is the player's full name?
4. What is the player's date of birth?
5. Of what country is the player a citizen?
6. Has the player ever registered to play soccer at any level outside of the U.S.?
7. Does the player have a U.S. permanent resident card? If so, what is the "Resident Since" date on the card?
8. Does the player have a passport from any country?
9. Does the player have a U.S. visa?
10. Is the player's biological mother living in the U.S. with the player?
11. Is the player's biological father living in the U.S. with the player?

Please reply with your answers at your earliest convenience to icrequest@ntxsoccer.org. Once they receive your responses they will let you know what forms/documents are needed to complete the process. At this time, the player may not be added to a team's roster or play in any games, as required by FIFA.

If you have any questions, please reply to International clearance at
icrequest@ntxsoccer.org.

When you respond to International Clearance go ahead and attach the copy of the passport, birth certificate or visa so they will already have that in their records.
