Tournament Rules of Play

FAIR PLAY:

Players, coaches, and spectators are expected to act in the nature of "Fair Play" at all times. Abuse of the referees will not be tolerated and will result in a red card or removal from the field. In the event of a spectator, the red card and/or removal will be issued to the coach. The referee may end any game at any time where abuse is present, and the game will be considered final. Abuse of opponents will result in a red card. At the discretion of the tournament director, teams can be removed from the tournament for abusive conduct by players, coaches, or spectators. Players, coaches, and spectators are not allowed on the field or in the Scoring/Referee area, and must direct all questions to the tournament headquarters. Teams in violation of this rule may be removed from the tournament by the tournament director.

Players / Teams

PLAYER REGISTRATION: This tournament is a North Texas sanctioned "Special Event". Special events allow for anyone meeting the proper age restrictions and paperwork requirements, listed below, to play in the event. Teams can be formed with any combination of players as long as each player meets one of the requirements listed below. All players must provide proof of age, upon request, by birth certificate or player ID card. Any one determined by the tournament director to have falsified any player's information is subject to be dismissed from the tournament.

USYSA-Registered Youth Teams (North Texas)

If players are all registered on the same roster, the official roster is all that needs to be submitted. If players are from various rosters, each player not on your original roster must have a guest player form or the original roster signed by the coach and registrar that the player is carried on. Academy players must submit an academy player form. All forms need to have proper signatures.

US Club-Registered Youth Teams

US Club players fall under the NON-Registered Players below. However, proof of age is not required as long as they have a player card or are verified by a current active US Club roster.

NON-Registered Players

All youth players not registered with North Texas Soccer must submit proof of age with a copy of their birth certificate and fill out the special event registration form. There is an additional \$10.00 per player fee for this form and the form is only valid for this single event.

TEAM REGISTRATION: Teams may divide a single roster to form more than one team for this event, however each individual group of players, a team, must register and pay separately. A team must set their "Event Roster" prior to checking in at the tournament. (see website for details and other requirements) Teams will be placed against like teams by gender and sanctioned age groups to play. Roster changes, replacements and/or additions, may not be changed after being submitted without permission of tournament director.

TEAM NAMES: Be sure to distinguish each team's name when forming multiple teams from a larger roster. For example: Manchester team 1, Manchester team blue, or Strikers black, Strikers red-coach Crocker.

NUMBER OF PLAYERS: The maximum number of players on a team is eight (8): four (4) field players and four (4) substitutes. Only four (4) players are on the field at a time. The minimum number of players a team can field is three (3).

PLAYER EQUIPMENT: All players must wear shin guards. Any player without shin guards will not be allowed to play.

PLAYER "KITS": Each team must have unique numbered jerseys. Alternate jerseys or numbered T-shirts must be available with a unique number for each player. Pennies may be used over the jersey to resolve color conflicts. Violators will be removed from the field and not allowed back on the field of play until player equipment is corrected. Home Team is team listed first on schedule. **Home Team will change jerseys if there is a color conflict.**

The Field of Play and Equipment

FIELD DIMENSIONS: The playing field is an estimated thirty (30) yards long by twenty (20) yards wide. Goals are an estimated four (4) feet high and six (6) feet wide. The goal box is an arc with a radius of eight (8) feet. Field dimensions are subject to change by the tournament director.

DEAD ZONE: The goal box, an eight (8) foot radius half circle marked in front of each goal.

BALL SIZE: All ages will use a size four (4) ball during games.

The Game

GAME DURATION: The game consists of two 10-minute halves separated by a two-minute half-time period. Games tied after regulation play shall end in a tie except in the playoffs. There are no time-outs in 4V4 soccer. The match length may be shortened at the discretion of the tournament director.

GOAL BOX / DEAD ZONE RULE: There is no ball contact allowed within the goal box. However, any player may pass through the goal box. If the ball comes to rest in the goal box, a goal kick is awarded to the team defending that goal regardless of who touched the ball last. Any part of the ball or player's body on the line is considered in the goal box and is an extension of such. If a defender touches the ball in the goal box, a penalty kick is awarded to the offensive team. If an offensive player touches the ball within the goal box, a goal kick is awarded to the defensive team.

PENALTY KICKS: A penalty kick will be taken with the ball placed on the midfield line, anywhere within the circle in front of an open uncontested goal. All non-kicking players must be behind midfield and outside the middle circle. A penalty kick shall be awarded if, in the referee's opinion, a scoring opportunity was nullified by any infraction of the rules or by a violation of the dead zone rule. This is a **dead-ball** direct free kick. If a goal is not scored, the other team obtains possession with a goal kick.

PLAYER SUBSTITUTIONS: Substitutions may be made at any dead-ball situation, regardless of possession. Teams must get the referee's permission before making the substitution and players are to enter and exit at midfield. There are no substitutions on the fly.

GOAL SCORING: A goal can only be scored from the offensive side of the field. Meaning the ball must be at or past the midfield line into the side of the field you are scoring on for the goal to count. If a team scores a goal from the side of the field in which they are defending, a kick in will be given to the other team at midfield. The ball changes possession after a goal is scored, and is restarted from midfield.

HIGH BALL RULE: If the ball exceeds higher than the height of the goals cross bar (top of the goal), an **indirect kick** will be awarded to the other team from the spot the ball was kicked. The referee shall be the sole judge of all high balls.

RESTARTS: All restarts are **indirect kicks** (including the kickoff to start each half). This does not include penalty kicks which are direct.

THREE (3) YARD RULE: In all dead ball situations, restarts, including game start and halftime start, defending players must stand at least three (3) yards away from the ball. If the defensive player's goal area is closer than three (3) yards, the ball shall be placed three (3) yards from the goal area, in line with the place of the penalty. Also see "Slide Tackling".

THROW-INS: There are no throw-ins. All out of bounds balls will be taken as "kick-ins."

KICK-INS: The ball shall be kicked into play from the sideline instead of thrown in. The defending player must be at least three (3) yards from ball on all kick-ins. All kick-ins are **indirect**.

GOAL KICKS: May be taken from any point on the defensive touchline. Goal kicks are indirect.

INDIRECT KICKS: On an indirect kick, a goal can be scored only if the ball subsequently touches another player before it enters the goal. If the kick directly enters the opponents' goal, a goal kick is awarded. If the kick directly enters the team's own goal, a corner kick is awarded to the opposing team.

OFF-SIDES: There are no off-sides in 4v4 soccer

SLIDE TACKLING: For this tournament, a slide tackle is defined as: A player leaving his/her feet under their own influence for any reason within 3 yards of another player while on the field of play. Slide tackling is an automatic yellow card and is indirect kick from the spot of the foul.

HEADING: There is no heading the ball in 4v4 soccer. If a player heads the ball **intentionally** an indirect kick is given to the opposing team at the spot of the foul.

If after the first four (4) kicks from each team, the teams remain tied a sudden death penalty kick shootout format will start with any remaining players on the sideline. After all players have taken a kick, the rotation will continue in the same order until a winner is declared. Teams will receive an equal number of kicks. Please see "penalty kicks" for rules. Overtime rules are subject to change by the tournament director.

Teams are given a five (5) minute grace period before a forfeit is declared, subject to the discretion of the tournament director, however the game time will start as scheduled and only the remaining time will be played.
