

Hello Coaches, Managers and Assistants,

Southwest Baseball League requires all adult team personnel who will be on the field for Game Days to have a current background screening. SWBBL keeps a file of current coaches who have a screening.

To have a background check done through The League's vendor, go to Verity; <https://opportunities.avery.com/SouthwestBball> be sure to answer all questions and then check out. The fee for the screening is about \$15 and is valid with SWBBL for 2 years. The process will take less than 5 minutes. Results within 3 days in most cases.

If you have had a screening done with SWBBL in the past 2 years you do not need to have another screening completed. If you have not had a screening done with SWBBL or it has been more than 2 years we will notify of the need to do so.

If you do not have a current screening on file, you may not be on the field for game day and we will remove your from the team roster.

We currently accept Law Enforcement Officer credentials as an alternate means of a background check. To provide administration with your proof, email to [admin@swbbl.org](mailto:admin@swbbl.org) a clear picture of your credentials or contact [admin@swbbl.org](mailto:admin@swbbl.org) for an alternative means of verification.
