

H. / I. 13-18U LEAGUE RULES

**These are IN ADDITION to the MUS Softball General Rules below.*

The 13-18U League is for girls 13-18 years of age as of December 31 of the previous year. This league plays on a field with base distance of 60 feet, and distance from pitching plate to home plate of 43 feet. A 12-inch regulation size softball is used. In Fall, this is a developmental league and no scores/standings are kept. USA Fast Pitch Rules and Regulations will be followed with the following MUS League Exceptions:

1. TEAM: 13-18U

Each team will field 9 players when possible. A team must field a minimum of seven (7) of its own players or the game will be declared a forfeit. A team may borrow up to two players to field a 9-player roster. Borrowed players must play in the outfield and bat at the bottom of the batting order (see borrowed player policy). Teams playing with less than nine (9) players will not be penalized with an automatic out at the open spots in the batting order.

2. GAME: 13-18U

Games will consist of seven (7) innings or 1 hour & 11 min (71 min). **An inning will consist of three (3) outs or (six) 6 runs maximum, whichever comes first.** No new inning may start after time expires. The inning ends immediately when run No. 6 scores. **Run rules are 12 after 3 innings, 10 after 4, & 8 after 5 innings.** Games tied at the end of the time limit will end in a tie. Free substitution will be utilized; but, a pitcher may not return to the mound in the same inning she is withdrawn. A removed pitcher may play another position or go to the team bench. No new inning may be started after time has expired.

3. MUS SOFTBALL GENERAL RULES:

3.3. BORROWING PLAYERS

Borrowed players must be MUS In House softball players and must wear their own team shirt when playing for another team.

- A team may borrow players from other teams in their own league or from the league one age level below them.
- Borrowed players must be placed in the last open positions of the batting order and are only allowed to play outfield positions on defense. Should regular team players arrive before the end of the game they must replace the borrowed players in the game.
- Violation of these rules may result in a forfeit

3.4. GAMES

- **Plate agreements are not allowed. Any request for an exception to the rules must be sent in writing to the appropriate age director, the VP of Softball & opposing coach prior to the start of the game. If granted you must hand the umpire the written approval from your director at the plate meeting. All violations of this rule may result in forfeiture of the game & coach suspension.**
- The umpires' timer shall be the official time & shall not start until the first warm up pitch is thrown.

3.5. A GAME IS CONSIDERED COMPLETE IF:

- The time limit has been reached, or a team leads by more than the run rule limit.
- Three (3) complete innings or 45 minutes of the game(s) have been played in all leagues.
- A forfeit has been declared. Game time is forfeit time.
- If the game is called due to weather or field conditions following completion of the 3rd inning in all age levels it will be considered a complete game with no makeup. Otherwise it will resume from where it left off at the makeup date.

3. 8. EQUIPMENT

All players must wear a helmet with facemask while batting at practices, in warm-ups, in the batting cages, while in the on-deck area, and while on base. A player intentionally removing their helmet while running the bases will be called out. This is a judgment call by the umpire. Players warming up a pitcher must wear a catcher's helmet with mask during all practices and prior to or during all games. *All players playing the pitching position must wear a fielding mask at all times, NO EXCEPTIONS.* In games, catchers must also wear shin guards and a chest protector.

Steel/metal cleats are ALLOWED for ages 13U-18U within the MUS In-house league. *From the 9U age level and above pants are required, they are strongly suggested at the below levels, but not a requirement.*

3. 10. CLOSE PLAYS/SLIDING – PLEASE READ CAREFULLY

*In an effort to avoid collisions and injuries – on close plays at any base (except 1st) runners are **required** to avoid contact with a defensive player if the defensive player has possession of the ball. This does not mean the runner has to slide, just avoid contact. If a runner makes contact with a fielder who clearly has possession of the ball, and the runner does not attempt to avoid contact—either by stopping, running around the fielder or by sliding—the runner will be declared out. If the umpire rules that the collision was also malicious, then the player will be ejected. Fielders may not block the runner's path, or they will be called for obstruction and the runner receives an additional base.*

3. 11. PITCHING

USA pitching regulations will apply.

- (a) For example, if your pitcher throws one pitch it is deemed an inning.
- (b) If a pitcher hits a batter the batter automatically takes a base. Please note once a pitcher hits the 5th batter of the game regardless of innings they will be removed for the remainder of the game.
- (c) If a pitcher is removed a 2nd time they may not pitch the rest of the game.
- (d) A maximum of three (3) warm up pitches may be taken between innings. When a pitching substitution is made a maximum of five (5) warm up pitches may be taken. The pitcher may play any other position on defense.

3. 12. COURTESY RUNNERS

Coaches have the option (and are encouraged) to put in a courtesy runner for their catcher only so they are ready for the start of the next inning. The courtesy runner will be the batter who made the previous out. The only other time a courtesy runner may be used is when a player is injured while batting or running the bases. Again, the batter who made the last "batted out - will be the courtesy runner in any situation.
