

The Miracle League at Town and Country is a youth sports program developed just for special needs kids. We play baseball on a unique synthetic field designed specifically for special needs!

MIRACLE LEAGUE – WHAT IT IS!

BUDDIES

- Players will be paired with a “**Buddy**” (**12 and older**) to assist them on the field as well as at bat. Players are between the ages of 4 and 19 with all types of special needs. We do not roster teams by age, gender or special needs.
- We have 10 – 14 teams each season.
- Each Buddy signs up for shifts each weekend. Each shift is either 2.5 Hrs. (two games) or 1.5 Hrs. (one game)
- Buddies will always protect the players and give only the amount of aid needed so that the player can be as independent and as successful on the field as possible.
- All Buddies have to attend a pre-season meeting, submit a **referral form**, signed by a non-parent adult, plus give us a signed **parental consent form**.
- Each team will have at least one adult coach; plus, there will always be multiple other Miracle League volunteers present at each game and on the field.

**WE NEED MANY MANY MORE BUDDIES!
REGISTRATION FOR THE SPRING SEASON has Begun!**

Please check the website for more information, schedules, pictures and important dates!
