1. Minutes

The minutes were approved.

2. Treasurer's Report

There are several schools with outstanding track fees and attendance fees. Mike will let you know if your school owes money. All fees must be paid before your school will be able to participate in the fall sports. Please mail all outstanding fees to Mike Milligan.

The treasurer's report was approved.

3. Unfinished Business

The application for a new school to join the CGSAA is being revised and will be sent to Casady and Terra Verde. When those schools complete the new application, Allyson will send out an electronic vote request to all the representatives. Please discuss the addition of these two schools with your principals and vote promptly.

4. Soccer

The number of soccer teams from each school is due at the August meeting.

Thank you, Keiffer, for all your work and continued support of the soccer program.

5. Volleyball

Volleyball will be starting at the beginning of the school year in August. If you know your students need a team or would like to find some extra players from another school for your team, let Beth know as soon as possible. The number of teams from each school is due at the August meeting. There will be a pre-season tournament on August 27. Beth encourages everyone to have kids sign up for volleyball in May.

Beth and Keiffer will work together on the game schedule to allow students to participate in both volleyball and soccer. Basketball games will also try to schedule around club volleyball games.

There will be two 6th through 8th boys' tournaments. Casady will hold their tournament on September 21 and Rosary will have a tournament on November 2.

New rules for the boys playing volleyball:

2. Teams will consist of all girls or all boys. BOYS teams will play up one grade level (for example, a 5th grade boys team will compete in the 6th grade league) and will abide by the rules of that league.

2a. 8th grade boys teams will play in the 8th grade girls league HOWEVER the boys may not block or jump to attack the ball in front of the 10-foot line

2b. If two grade levels of boys combine to form a team, they will play up a grade level from their oldest player (for example, a 4/5th combined team will play in the 6th grade league.)

Thank you, Beth, for your work as our volleyball commissioner.

6. Basketball

Thank you to Steve Carroll for all the work he did as basketball commissioner.

7. Track

Good luck to all the participating students in the track meet on May 11. Many thanks to Johnny Kitchen and Jennifer McGleish for their work on the track meet.

Johnny will continue to work with track participants within the CCYO and Jennifer will be our track coordinator next year.

8. PLACT

There was no PLACT report.

9. New Business
