Position Seeking  
VP- Peewee Director, Board Member

### **Hockey and Professional Background**

20+ years of hockey experience including several years of running our youth travel hockey program in Richmond, Virginia. Our family moved to Woodbury in 2024, at which time I joined the Woodbury Area Hockey Club (WAHC) board and began coaching in Woodbury. We have played on multiple different teams and organizations up and down the east coast and experienced many different coaching styles and cultures. I enjoy coaching youth players at any age and experience level, but have mostly coached from Peewees to Mites ages. In my free time, I typically play men's league hockey.

Professionally, I have worked in banking for 20+ years including 13 years as a bank regulator. I regularly review the adequacy of corporate governance programs and the quality of senior management and board oversight capabilities. See my personal resume at: <https://www.linkedin.com/in/jesse-fleeman-b18b8146>

### **Involvement at WAHC**

My family and I moved to Woodbury from Richmond, VA in 2024. Shortly after our arrival, I joined the WAHC board and began coaching in Woodbury. All three of our children play winter hockey for WAHC and play AAA hockey locally in the summer.

My wife and I have three children currently playing within the WAHC:

- Layton Fleeman (2012 birth year- 15UB)
- Levi Fleeman (2014 birth year- Peewee AA)
- Lawson Fleeman (2019 birth year- Mite 3)

### **WAHC Board Aspirations**

I am seeking to renew my role as a WAHC Board member and specifically interested in the Peewee Director role. Involvement within the local community is important to our family, and specifically, involvement in the local hockey program is an opportunity I typically pursue. Community-based hockey was the main reason we chose to move our family to Minnesota. Given our involvement with multiple hockey organizations throughout the east coast, I feel that I can add value to the organization and the community through the game of hockey. Additionally, I have a lot of experience within the corporate governance space and feel that I can leverage these skills and experience as a board member.
