

Weather Cancellation Procedure

Games will **ONLY** be cancelled 'by the hour'

Example: If your game is at 8am, you will be notified by 7am.

Note: If the 8am game gets cancelled, that does **NOT** mean that the 9am, 10am or 11am game will.

WE WILL PLAY IN THE RAIN!

We will NOT play in lightning or thunder.

Should inclement weather arise at random, the referees will notify the teams to clear the field. A text will also go out to all coaches via the 'Remind' app.
