## MAY 2026 – Over the Edge

It's hard to believe, but our Spring Session has already reached the halfway point. With just four weeks remaining, the season is moving quickly. Following the conclusion of the spring session, our grade school teams will take a short break during the month of June before we kick off our summer camps in July (see flyer below for details).

On the high school side, things are just getting underway. Our 16U Girls and Boys National Teams have begun their travel schedules and are competing across the country, while our regional teams continue to compete closer to home.

**2026 SUMMER CAMPS - REGISTRATION IS NOW OPEN**

## WINDY CITY CLASSIC - MILWAUKEE WISCONSIN: 12U, 15U & 16U GIRLS

Over The Edge had a memorable weekend at the 2026 USJN/New Balance P32 Windy City Classic in Milwaukee. Our 16U, 15U, and 12U girls all stepped onto a premier national stage and rose to the occasion, competing with intensity, confidence, and pride against top-tier talent from across the country and world! It's inspiring to watch this group of young athletes embrace the moment and prove they belong among the best, well-deserved in every sense.

A special milestone for our program came from our 6th Grade / 12U team, who made their USJN debut with poise and determination. They battled through a competitive field to finish 2–2 on the weekend, securing 4th place in their bracket, an impressive introduction to this level of play and a sign of what's ahead. Our 15U group also deserves strong recognition for how they competed and represented OTE. They brought relentless energy, resilience, and a competitive mindset every time they took the floor.

Beyond the games, the weekend was about connection. The athletes spent meaningful time together off the court, strengthening friendships and building trust, while families and coaches shared in the experience and reinforced the sense of community that defines Over The Edge.

It was also a powerful glimpse into the future of OTE. Younger players and families had the opportunity to watch high-level competition and see what lies ahead in their OTE journey. Saturday night's 16U P32 matchup vs WT Elite was a highlight, showcasing the level of excellence our athletes are striving toward. Coach Keith summed it up best: "I was honored to be on the sideline coaching alongside Coach Croix and to watch the girls who grew up in our program compete at such a high level. Weekends like this highlight the growth, connection, and competitive spirit that make Over The Edge so special."

Milwaukee was more than a tournament. It was a statement about who we are and where we're going.  
GO EDGE!

### **IMPORTANT DATES COMING IN MAY**
