MORE TRYOUT INFO

Prior to the end of the tryout, offers will be made to players to join the club in a certain age group. Specific team assignments will be made after 2 weeks of practice together. Our goal is to place each player on the team that will allow them to make the most progress possible during this 5-7 month season.

INFORMATION ABOUT UNIFORMS

Our 2019 teams will be head to toe in adidas gear. The uniform package will have a variety of items including jerseys, practice shirts, warm-ups, knee-pads, socks, bag, and shoes. U13-U18 National team packages start at \$416 and U12 and Regional team packages start at \$319 (no shoes included but can be added). We are also starting a process of "renting" your jerseys for the season. You will put down a \$60 deposit and if the jerseys are returned in good condition at the end of the season, you will get that back. This allows us to offer you jerseys at an extremely reduced cost.
