Equipment

Baseballs - The handling of baseballs will be as follows: For the first game of the season, the home team will supply 2 new balls, and the away team will supply 1 new ball. For the rest of the games during the season, the home team will supply 1 new ball and 1 good used ball, and the away team will furnish 1 new ball. The home team will collect all baseballs at the end of the game.

Bases - The home team is responsible for laying out the bases for all fields except Memorial Park. Bases should be properly staked into the field using provided stakes. Umpires, prior to the start of a game, please ensure that bases are adequately secured for safe play.

Bats - (Revised 2024), For divisions 6U-14U, players can use either USA or USSSA approved bats (they should be marked/stamped as such). For High School division, players will use BBCORE-certified bats.

Calculating the Drop Weight - The drop weight is calculated by taking the weight of the bat (ounces), and subtracting the length of the bat (in inches). The drop number is the result and will be a negative number. The resulting number is the drop weight. $\text{Weight} - \text{length} = \text{drop number}$

Examples:

27oz., 30 inch = -3

24oz., 30 inch = -6

19oz., 27 inch = -8

Hitting Stick – Hitting Sticks are banned from ROSL games. They are dangerous to all involved. They are allowed for practices on the field only, not behind the dugouts.

Catchers Gear - All players that catch for pitchers must wear an ROSL provided, or coach approved helmet. The helmet must provide throat protection. Chest protector, knee pads and gloves are provided for each team. Please ensure proper wear of the gear by ensuring all snaps, tie downs, and clips are properly secured. Please maintain the equipment as if it were your own and return in clean condition at the end of the season. Report damaged or broken equipment to the league equipment manager as necessary.

Athletic Supporter and Cup - All male players must wear a protective cup, especially catchers. Coaches do not permit players to catch if they do not have a cup. Players must be encouraged to wear protection for their own safety.

Cleats - Baseball cleat rules are as follows and vary between leagues. Players cleats or shoes must be approved by the coach. Failure to comply may result in ejection or suspension. Harwell players cannot wear metal cleats on Diamond 3 at Memorial Park. See rules grid above for more cleats guidance.

Helmets - Baseball helmets must be used in all practices and game when batting, whether provided by ROSL or supplied by the player.

All Star Games

The ROSL mid-summer All Star Game will be played by Control Pitch, Freehan, Cabrera, Kaline, and Harwell Leagues.

Teams are selected by nominating their top players to represent their team in the annual classic.

Each team will consist of up to, but not exceeding, 18 players.

To keep interest at a high level, players will play every other inning. As an exception, pitchers may pitch two consecutive innings.

A running batting order will be used. All rostered players are in the batting line-up.

All leagues play a 7-inning game or a 3-hour time limit.

Games tied at the end of regulation will play the 8th inning, unless a 3-hour time limit has been reached. Games may end in a tie.

The coaches for each All-Star team are picked by the league Vice President.

The All-Star team coach may select his own assistant coaches and should consider asking other head coaches within the division.

Playoffs and World Series

Freehan, Cabrera, Kaline, and Harwell teams will get seeded into a playoff series at the conclusion of the regular season.

Teams are seeded according to final standings and set by the League Vice Presidents.

Single-game eliminations are played in the postseason, including the World Series.

There is no time limit for Division Championship games or World Series Games.

All other playoff games will have a 2-hour time limit.

All mercy rules do not apply to World Series Games.

If any teams are tied at the end of the season, the tie will be broken by:

1. Head-to-head record
2. Most runs scored
3. Least number of runs allowed
4. Coin toss.

Any assistant coaches that are 17 and younger must wear a helmet if on the field of play. This is for insurance purposes. The names of all coaches and assistants must also be on the team roster and approved by the league Vice President.

8. Background Check - All coaches, managers and scorekeepers must register for a background check to be performed. A background check must be performed before being allowed to interact with players.

13. Jerseys and Stars' Uniforms – They are the property of ROSL and must be returned in good condition at the end of the season. Failure to return the cleaned jersey/uniform at end of the season will result in an invoice for the value of the item. The players keep team hats and socks at the end of the season.

14. Jewelry - Players cannot wear jewelry of any kind during games or practices. This includes watches, rings, wristbands, earrings, necklaces, etc. This is for the safety of the players and this rule will be enforced by umpires, managers, and parents. Break away necklaces are allowed.

Approved donuts and weighted bats are OK to use with coach approval. No dangerous items may be permitted anywhere in the dugout, on-deck area, or field.

18. Bat Safety - A baseball bat can be dangerous if used carelessly. Care must be demonstrated while using a baseball bat. Players must know their bat safety zone when preparing to use a bat. Coaches are encouraged to establish and enforce proper bat safety. Do not swing if others are nearby. Players must wear a helmet while using a bat.

19. Throwing of Bats - Players must not throw bats at any time. No warning will be given, and the player will be ejected. Players throwing bats may be subject to further suspension if serious offense is noted by any coach or ROSL Board member. This rule will be strictly enforced by the umpires.

To reduce the potential for lower leg or ankle injury, players must slide into bases

where there is a chance for a play. If there is doubt on a play, slide. Base coaches are there to assist the runner in making the decision. Listen to base coaches and do as they say. If there is a play at a base and they runner does not slide, they may be called out by the umpire as stated above.
