Coach Tyma updates:

- Slide deck for Monday's Spring PAC meeting is set. Meeting is targeting mostly new players. Current players are still welcome.
- Fall season looks to be on track for a normal season.
- Fall game schedules are posted. Changes could still be made. We are planning on doing the varsity Wisconsin Dells trip, but that still needs to be finalized.
- August 16th start date for tryouts. Rochester jamboree is a go on August 21st.
- Coaches: as of now, 1 vacant position (10A coach).
- Player projections for incoming 9th graders are low, will keep the word out to make sure we get to everyone before season starts.
- ETS schedule & registration is out. Encourage any players to sign up, or do their own fitness program.
- Dome will be going up at LNHS practice turf field in November. Construction work is slated to prepare for this during the summer. Summer camp July 19-22. Other camps will be dependent on schedule.
- Community support has been great, but we need to do all we can to up sponsorships this year.
- Hudl in-stadium camera will be set to go this fall for home games (automatically takes video, uploads, and edits).
- Alumni game set for Aug 24th. Could look to add more social events around this in future years, maybe even a fundraiser opportunity.
