

# COVID-19 Responsibilities

Implementing the Fremont Athletic Association (FAA) return-to-play protocols will require a cooperative relationship between the FAA, Coach, Parent, and Player. While the FAA and Coach must create a safe environment, the Parent must make the decision for their child to return to play. If, as a parent, you are not comfortable in your child's returning to play – DON'T. And finally, Players must be responsible to adhere to, and respect the social distancing requirements and contact guidelines that have been established. At any time, if a coach, parent or player is not adhering to protocols or respecting social distancing requirements, it is the FAA's responsibility to ask this individual(s) to leave. The roles/responsibilities for each include:

			
FAA	Coaches	Parents	Players
<p>Distribute Return to Play protocols</p> <p>Be sensitive and accommodating to parents who may be uncomfortable on returning to play</p> <p>Train &amp; educate staff on return to play protocols</p> <p>Weekly communication &amp; reminder on policies/protocols</p> <p>Provide all coaches with all player contact information</p> <p>Provide adequate field space to accommodate social distancing</p> <p>Designate staff members to collect health screening prior to entering the field.</p> <p>Set training schedule to maximize social distancing</p>	<p>Follow all return to play protocols</p> <p>Inquire how athletes are feeling at beginning/end of week and during sessions</p> <p>Ensure all players have their own equipment</p> <p>Ensure drills/exercises provide for adequate social distancing</p> <p>Ensure that all coaching equipment is sanitized after use</p> <p>Respect all players/parents/family feelings on return to play</p> <p>Carry hand sanitizer with equipment</p> <p>Is encouraged to wear a face covering, if he or she wishes</p> <p>Have access to all players' contact information</p> <p>Ensure players stay out of dugout areas</p>	<p>If you're not comfortable with your child returning to play ,DON'T; You will make the final decision</p> <p>Conduct health screening process on your child prior to arriving at facility</p> <p>Ensure child's clothing is washed after training session</p> <p>Ensure all player equipment is sanitized before after each use</p> <p>Notify coach immediately if your child becomes ill or has a temperature</p> <p>Supply your child with individual hand sanitizer (if available)</p> <p>Adhere to social distancing guidelines</p> <p>Parents/spectators are not allowed on playing surfaces for social distancing reasons</p> <p>Ensure your child has water</p>	<p>If you're not comfortable returning to play, DON' T</p> <p>Adhere to all return to play protocols</p> <p>Wash hands thoroughly before and after training</p> <p>Wash and sanitize equipment before &amp; after training sessions</p> <p>Do not share food, water, or equipment with any other players</p> <p>Respect and practice social distancing</p> <p>Place equipment (bags) at least six feet apart from others</p> <p>No high-5's, handshakes, fist bumps, or group cheers</p> <p>Wear a face covering, if you wish</p> <p>Any player who has had a fever, cough, or sore throat within 72 hours is not permitted to attend</p>
		<p>While many are going to be excited to return to play, there are others who may be apprehensive. If a player, parent, or family isn't comfortable returning to play-DON'T. We must demonstrate respect and courtesy for everyone's feelings during this time and ensure that we provide a safe environment as we return to play.</p>
