

Welcome to Eastside Ice Volleyball Club! We are a USA Volleyball sanctioned club in the WEVA region. We are a Not for Profit 501(c)3 Organization in the State of New York.

CLUB BACKGROUND

Eastside Ice was formed in August 2014 when we realized there was a huge need for club volleyball in this area that was just as competitive as the other clubs, but didn't cost a fortune. With a huge leap of faith, we formed our first team and at the end of the season, ranked 12th overall – unheard of for a rookie club! Because of our success, families flocked to tryouts and we fielded 4 teams in our second year, 5 teams in our 3rd season, and have continued adding teams each season. We continue to demonstrate a high level of competitive play with our teams being invited to the Bid Qualifier – 2 teams this past season were 1 match away from getting to Nationals! This club has proven year after year that the amount you pay to play club volleyball does not indicate the strength of the program.

SELECTION CRITERIA AT TRYOUTS

- Individual volleyball skill
- Coachability
- Work ethic and effort

- Overall volleyball potential
- Position availability and need

All players must come to tryouts prepared for their age appropriate team. If a coach or club director want to try a player out for an older team, they will make that decision and discuss it with the player directly. Please no parent requests. Our coaches have your daughters' skill and best interest in mind, and will place them accordingly.

ACCEPTANCE OF A TEAM

Verbal offers will be extended to players during and after day 2 of tryouts. On a rare exception, a player may be offered a position after Day 1. If this happens, the coach will ask the parent to stay after tryouts and discuss, or will call home that night to provide more details, prior to Day 2.

If your daughter accepts a position offered to her, initial payment (\$500 for all travel teams) and registration paperwork must be submitted on or before October 1, 2019. The balance of season costs will be due on your daughters' first night of practice, December 2nd , 2019.

Accepting a position with Eastside Ice means your daughter is agreeing to participate fully in all tournaments, practices an team sponsored events. If there is a conflict with a practice or tournament, please let the coach know so they can plan accordingly.

WEVA REGISTRATION

WEVA (Western Empire Volleyball Association) is the region we play in as part of USA Volleyball.

You must register your daughter for either a \$15 Junior Tryout membership, or the full Junior membership (\$64). If she makes a club team, the Junior membership can be upgraded to a full membership. If your daughter played with a club last season her membership is still valid until 10/31/2019. Please bring a copy of her card to tryouts as I can NOT look these up unless you played for Eastside Ice last season. These memberships are good for all club tryouts and are mandated by the region.

WHAT TO BRING TO TRYOUTS
