

# Start Your Skating Journey at the Ice Den

Based on skater age and previous skating experience (not required) enrollment recommendations are noted below. Coaches evaluate skaters the first class and throughout each 6-week session. Adjustments to levels (more or less advanced) will be made as needed.

## HOCKEY\*

### Level A

Pre-Hockey 1

Pre-Hockey 2\*\*

Pre-Hockey 3\*\*

*\*To enroll in Pre-Hockey classes, the skater must be able to skate across the ice unassisted in hockey skates, forward & backward & glide on one foot.*

*\*\*Power Skating class available*

## INITIATION PROGRAM (IP)

Upon enrollment in Pre-Hockey 3, players are invited to participate in the CDP Chandler Initiation Program (IP). IP serves as a bridge between Learn to Skate and house/recreational hockey by teaching players hockey rules, concepts and introducing scrimmage play. Graduation from the IP is required to participate in the Coyotes Development Program. Skaters cannot bypass PH3. A valid LTS registration in PH3 or a PH3 completion evaluation allows the opportunity for a player to enroll in IP earlier to expedite progression to league/team play.

## FIGURE SKATING

### Level B & C

All Levels Basic 4A - Preliminary

## ADVANCED FIGURE SKATING

The Ice Dens offer a variety of skill specific skating disciplines including Synchronized Skating and Speed Skating as well as Specialty Classes, Open Freestyle Sessions, Off-Ice Training, Camps and Clinics. Skaters are eligible to become a member of the Desert Skating Club of Arizona (DISCOA) which provides the opportunity for skaters to qualify to compete at local, regional and national events.
