

"Michigan Amateur Hockey Association has integrated the industry's leading tournament management system, EventConnect. One of the many things this technology manages is all overnight accommodations for participants. Our pre-negotiated tournament hotels will ensure that all participants receive our best group rates, amenities, cancellation protections and service. We ask that all hotel activity takes place on this network, which will provide the best experience possible.

For Club Directors and/or Team Managers looking for assistance please use this link for hotels.
