

Conrad Weiser Lacrosse Minutes

April 10, 2019

- *Meeting was called to order at 7:30 at Galen Hall
- *Minutes were approved by Mike Shearer and Shannon Shearer
- *Treasurer Report-We have approximately \$28000 with \$18000 going out.
Report approved by Shannon Shearer and Brian Werner
- *Fundraiser-We netted \$4614 which was half of last year's earnings. Top selling team was the High School Boys. Second place team was the 7/8 Girls. Prizes will be distributed in about two weeks.
- *School Board- Brian McCoy and Mike Shearer met with the board to share a power point presentation to get funding for the High School program. Currently we are billed by the district for: painting of fields, transportation, electric, EMS and the refs. We received a \$5000 discount this year. There will be no bill by the district next year, but the club will still need to cover coaches' salaries at \$13000. The discount allowed us to drop the registration for HS players from \$175 to \$75. Hoping for the sport to become totally funded from the High School in the near future.
- *Concessions- No one stepped up to do it so no shirts will be purchased for the youth since that additional money is not there.
- *Fields-Billy Covell stepped up to do lines!!! THANK YOU!
- *Coaches-NO ONE IS TO TOUCH FIELD HELP, ON SIDELINES, ETC UNLESS THEY HAVE CLEARANCES!
- *Volunteers-WE NEED PEOPLE TO VOLUNTEER IN ORDER TO MAKE MONEY TO KEEP THE CLUB RUNNING! Please do your part and help.
