

To Whom It May Concern:

**Thank you for taking the time** to learn how you can be a financial supporter of CHSM for the 2019 basketball season. Christian Homeschool Sports Ministries (CHSM) is a 501c3 program that provides athletic opportunities for over 100 homeschool students in swimming, volleyball, and basketball in the North Houston area. All of our expenses are covered through player fees and fundraising.

**Each of our 5 teams are raising** \$1,000.00 each to pay for practices & tournaments this upcoming season. I am trying to help by asking friends, relatives, and business owners to be one of my sponsors. Your sponsorship will help us cover court rentals, tournaments, or our participation at our Regional/National Tournament in March, 2020.

**Would you kindly consider** making a tax-deductible donation to support me and my teammates at CHSM?

**To thank you for** your contribution, your business will be listed as a sponsor on our website ([www.chsmhouston.com](http://www.chsmhouston.com)). This website and mobile app is used by all members of CHSM for communication throughout the course of our season and is visited by a number of people throughout the year. This means that your business will have an ad banner and link to your website show up every time one of our members opens the app or website.

**Thank you again for your consideration** to support our program. My teammates and I greatly appreciate it.

Sincerely,
