Thank you to everyone who volunteered to help with our September road clean up! We had about 40 volunteers - one of our largest turnouts. We saw many families with moms and dads available to lend a hand. We were thankful to see that a lot of trash was picked up off the side of the road. Thanks to great team work, the road is looking awesome!

SYC IN PARTNERSHIP WITH DNA SKILLS ACADEMY

DNA SKILLS ACADEMY

Fall 2020 Basketball Clinic registration is OPEN! SYC is working with DNA Skills Academy to offer our SYC basketball players training throughout the month of October. This is a coed program for players in grades 2 - 12. Space is limited to 10 players per clinic. Each clinic will meet for 4 sessions in October. Registration fee is \$100.

Registration will fill up very quickly, so if your basketball player wants to play, REGISTER TODAY!

NEWS AND SPECIAL EVENTS

Normally we would have opened registration for winter basketball and winter cheer by now. However, it's unlikely that we'll be able to offer a typical basketball and cheer season this winter. Currently we do not have approved access to indoor facilities, and outdoor options are not feasible in the winter for these sports.

In lieu of our normal winter cheer season, we're considering plans to hold winter cheer clinics hosted by our SYC All-Star Cheer Squad. Registration will likely open in late December/early January. We also hope that space will become available late winter for some in-house basketball clinics. Keep a look out for more information soon!

We'll continue to explore all possible options for winter activities. We're looking forward to a season where the fields and gyms are filled with our kiddos playing and having FUN again! :)

**REQUIRED
TO PLAY**

**SUBMIT DAILY
HEALTH CHECK-IN**

All participants/volunteers must check in the day of each event.
