

# Serve-A-Thon Fundraiser (11-14U)

**Player Name and Team:** \_\_\_\_\_

As a fundraiser for my Volleyball Team I am conducting a serve-a-thon, where I will 30 minutes to attempt 50 serves while alternating serving from one side of the net to the other side. Every sponsorship will help me pay for my volleyball expenses.

For example, if I make 40 of the 50 serves and you sponsor me at 50 cents a serve, your donation would equal \$20.00. My goal is to raise, \$\_\_\_\_\_ dollars and successfully complete \_\_\_\_\_ serves.

After the serve-a-thon I will let you know how many serves I completed and collect your donation. Instead of a per-serve sponsorship a flat rate sponsorship may also be made.

Sponsor Name	Telephone #	Flat Rate	Per-Serve	Collected
<b>TOTAL COLLECTED</b>				

Serves will be completed on the date of \_\_\_\_\_ within 1 week of completing my serves I will collect the donations for the sponsors above and turn into the club.
