I. INTRODUCTION

Welcome to Summerlin South Little League's 2021 Fall Season. This season, we anticipate that we will host nearly 900 players from ages 4-16 in baseball, girls softball, and tee ball. Over 300 adult volunteers will serve as coaches, scorekeepers, board or committee members, and team parents to make our league the overwhelming success it is. Our goal is to deliver the best quality youth sports experience possible.

Registration for the 2021 Fall Season opens on July 1, 2021. Players who register that day will even enjoy a \$25 discount on their registration fees. The purpose of this booklet is to provide parents and coaches with a summary of things they might want to know in order to register their child(ren) for one of the Summerlin South Little League's baseball divisions. There is a separate, similar booklet with information on registering a female for one of the league's softball divisions.

This booklet is designed only to provide the most basic information needed to make registration decisions. For a more detailed summary of the league's operations and policies, please see the Policy & Procedure Handbook that we recently revised and posted on our website at www.summerlinsouthll.org.

If you have any questions after reviewing this booklet or the information pages on our league website (www.summerlinsouthll.org), please feel free to reach out for additional information.

Thank you for trusting us to provide your children and our community with a healthy and fun baseball and softball experience this season.

II. LEAGUE BOUNDARIES

GEOGRAPHICAL ELIGIBILITY

Players are eligible to play in Summerlin South Little League only if they reside inside the league's boundaries OR they attend a school located within the league's boundaries. The league consists of those portions of Summerlin south of Charleston Boulevard or west of the 215 beltway (in the Summerlin West, Summerlin South, Summerlin Centre, or Red Rock Country Club communities). A map of the league's boundaries is available at www.summerlinsouthll.org or in the Parent & Coach Handbook. A player resides within the league boundaries if:

- The player's parents are living together and are residing within the league's boundaries; OR
- Either of the player's parents (or his/her court-appointed legal guardian) reside within the league's boundaries.

A player will be deemed to attend school in the league's boundaries if the physical location of the school where they attend classes is within the league's boundaries. Under Little League regulations, this excludes home schools, cyber schools, sports-related schools, sports academies, preschool, or after school programs where a student participates outside of the primary school the player is enrolled. Currently, the following schools are located in Summerlin South Little League's boundaries:

- Vassiliadis Elementary
- Givens Elementary
- Goolsby Elementary
- Ober Elementary
- Solomon Schechter Day School
- Faith Lutheran Academy
- Alexander Dawson
- Doral Academy Red Rock
- Faith Lutheran Jr./Sr. High School
- West Career and Technical Academy
- Bishop Gorman High School.

Prospective players can use Little League's mapping tool at <http://www.littleleague.org/leaguefinder.htm> to determine what little league they can join.

WAIVERS FOR PLAYERS LIVING OUTSIDE THE LEAGUE'S BOUNDARIES

Any baseball player who does not reside in or go to a school located in the league's boundaries must have an approved waiver issued by the Charter Committee at Little League International in order to play in Summerlin South Little League. Consult the league's [website](#) or the Policy & Procedure Handbook for more information on the types of waivers and the process for obtaining them. Waiver forms can be downloaded from the league's website. Once completed, the waiver should be uploaded through the waiver submission portal on the homepage of the league's website accompanied by a signed letter explaining the circumstances that you believe justify requesting a waiver. No out-of-boundary players will be rostered or drafted without a waiver in place.

III. BASEBALL DIVISIONS FOR FALL 2021

Summerlin South Little League welcomes **male and female players** with "league ages" 4-16 to participate in its baseball programs.

DETERMINING PLAYER AGE

Little League International rules dictate how a child's age is calculated. The player's actual age at the time of registration or the season beginning is not necessarily his or her age for Little League registration purposes. Instead, Little League uses a concept called "league age," which is different for baseball and softball:

For **baseball** players, league age is defined as the age the player is on August 31 following completion of the season. This principle applies regardless of age.

You can determine your child's league age by consulting this chart:

**Fall 2021 Little League Age Chart

TEE BALL - MINORS (League Ages 4-5)

Players born between September 1, 2016 and August 31, 2018

The Tee Ball Minors division is for league age 4 and 5-year olds is a pure tee ball division (NEVER COACH PITCH) designed to introduce our youngest players to the basics, fundamentals and fun of baseball. This is a non-competitive division where players can learn and practice fundamental baseball skills at an early age and receive maximum enjoyment from the experience. Tee Ball players do not evaluate to play. There are no team standings or playoffs, and scores are not recorded. Players can request a coach (depending on roster availability).

TEE BALL - MAJORS (formerly Rookies) (League Ages 5-6)

Players born between September 1, 2017 and August 31, 2018

The Tee Ball Majors division (formerly called Rookies) is a combination Tee Ball/Coach Pitch division for league age 5 and 6-year olds. **5-year olds must have at least one season of Tee Ball (or equivalent) experience in order to play in this division.** League age 7-year olds who are new to the game or who need additional training and development can play in this division with the approval of the Board of Directors. This division is a non-competitive division where players can learn, develop and practice fundamental baseball skills at an early age and receive maximum enjoyment from the experience. Tee Ball Majors players do not evaluate to play. There are no team standings or playoffs, and scores are not recorded. Players can request a coach (depending on availability).

BASEBALL DIVISIONS

MINORS A (League Ages 6-8)

Players born between September 1, 2013 and August 31, 2016

The Minors A division is a developmental machine pitch division for league ages 6, 7 and 8-year olds. 6-year olds **MUST** have played two seasons of Tee Ball Majors equivalent baseball to be eligible to play in this division. League age 9-year olds who need additional training and development can play in this division with the approval of the Board of Directors, so long as they will not actually be 9-years old during the season. Players do not evaluate to play. Game scores and standings are kept and will be used to seed the teams for the end of season tournament, although the primary focus is player development. In order to maintain competitive balance, players cannot request a specific coach or team.

MINORS AA & AAA (League Ages 8-11)

Players born between September 1, 2010 and August 31, 2014

The Minors AA and AAA divisions are competitive kid pitch divisions for players ages 9-11. 8-year olds are permitted to try out for the Minors AA division if they have played two seasons of machine pitch equivalent and have sufficient skill and ability. But they are not promised a roster spot in AA. If not drafted, they will be rostered in the Minors A Division). **For the Spring Season, players do not select whether they wish to play in the AAA or AA division.** All players must attend one of four scheduled evaluations to be eligible for the draft (they select the session during registration). The AAA teams draft their players and any remaining players are placed in the AA draft pool. Game scores and standings are kept and will be used to seed the teams for the end of season tournaments. AAA teams may also be selected to play in a District 4 Tournament of Champions after the spring tournament ends.

Players who are league age 12 who wish to play in the AAA division must be granted a waiver by the District Administrator. If Summerlin South Little League feels there is a safety issue with a 12-year old playing in the Majors division, the League, with the parent's permission, may also request a waiver from the District Administrator.

MAJORS (League Ages 10-12)

Players born between September 1, 2009 and August 31, 2012

The Majors division is a competitive division. Game scores and standings are kept and will be used to seed the teams for the end of season tournaments. 10 and 11-year olds are not guaranteed to be rostered in Majors (if not drafted, they will be placed in the Minors division draft pool).

INTERMEDIATE (50/70) Division (League Ages 11-13)

Players born between September 1, 2008 and August 31, 2013

The 50/70 division is designed for players with advanced skill and utilizes a larger pitching distance and base path to prepare players for the regulation sized field. Game scores and standings are kept and will be used to seed the teams for the end of season tournaments. **The league's ability to charter a team in this division is dependent on sufficient interest.**

JUNIORS (League Ages 12-14)

Players born between May 1, 2007 and August 31, 2010

This division is the first to utilize a regulation sized baseball field with a 90-foot base path and 60-foot 6-inch pitching rubber. This division is scheduled by and run at the District level. **The league's ability to charter a team in this division is dependent on sufficient interest.**

V. HOW TO REGISTER

The only way to register players for Summerlin South Little League is through the online registration portal on the homepage of the league's [website](#).

During the online registration process, there is a tool for you to upload a scanned version of your child's birth certificate. You must also be prepared, on demand, to submit proof of address. Acceptable proofs of address include documents, dated or in force between February 1, 2020 (previous year) and February 1, 2021 (current year) that show the parent's name and address from **EACH** of the following categories:

3. Vehicle registration or lease
4. Employment records (paystub, W-2, etc.)
5. Insurance documents

Group II:

1. Welfare/child care records
2. Federal records (tax, social security, etc.)
3. State records
4. Local (municipal) records
5. Support payment records
6. Homeowner or tenant records (deed, rental agreement, etc.)
7. Military records

1. Voter's registration

VI. REFUND POLICY

A player may withdraw his/her registration and receive a full refund of the registration fee (minus a \$25 service charge) until the date registration closes for that player's division. After registration closes for a particular division and teams are being formed, any refund is for extraordinary circumstances only (such an injury, moving away from the area, etc.) and is at the Board's sole discretion. Refunds will not be given for a player who withdraws his/her registration to pursue another sports program.

VII. TEAM FORMATION

TEAM FORMATION IN DRAFTING DIVISIONS

For the Spring Season, players in the following baseball divisions are assigned to teams through the draft:

- Seniors (if number of registrants warrant multiple teams)
- Juniors (if number of registrants warrant multiple teams)
- Intermediate (50/70) (if number of registrants warrant multiple teams)
- Majors
- Minors AAA
- Minors AA

Players in these divisions must evaluate to be drafted. The process and schedule for evaluations and the draft are described below.

In the Majors division, the League has not adopted the "property player" system, thus players are redrafted every year. However, once a player has been drafted in the majors division that player will remain in the Majors division, but not necessarily on the same team, for the remainder of his or her Little League Majors career..

TEAM FORMATION IN NON-DRAFTING DIVISIONS

In the other divisions, there is no draft and rosters are assigned by the Player Agent for that division:

- In the Tee Ball Minors and Tee Ball Majors divisions, each manager can "reserve" his/her child, and the children of his/her assistant coaches, and any other player up to a maximum of 10 players. Parents are permitted to make coach requests during registration. The league will do its best to honor coach requests, but cannot promise that all such requests can be fulfilled.
- In the Minors A division, each manager can "reserve" his/her child and the children of his/her assistant coaches up to a maximum of five players. If the team has a committed sponsor, they can "reserve" a sixth player. The balance of the roster will be assigned by the Player Agent, with the goal being to balance the teams as closely as possible in age, experience, and skill. **Once a player is in the Minors A division, parents can no longer make coach requests and such requests will not be considered.**

Teams are rostered after registration closes. Players and their parents are notified of their team assignment by their team's manager.

SIBLINGS ON THE SAME TEAM

Some families have children that are close in age and are both of an age where they could be playing in the same division (baseball or softball). Siblings registered in the same division will automatically be rostered on the same team with two exceptions:

- In the Majors division, there is no guarantee that siblings will be drafted to the same team. A parent cannot enforce an option for siblings to be drafted together.
- The so-called "sibling option" cannot be used to compel the league to roster a player with his/her sibling if there is a disparity of skill and ability between the two children such they should not be placed in the same division. In such circumstances, a league official will contact the family and find an appropriate solution for both players.

CHANGING TEAMS AFTER ROSTERS ARE FORMED

Once a player is drafted or rostered in either baseball or softball, he/she must play on that team. The league will not move players from team to team, with the exception of a player being moved up to a Major team to fill a vacancy as outlined in the league's Policy & Procedure Manual.

VIII. PLAYER EVALUATIONS & THE DRAFT

PLAYERS WHO MUST EVALUATE (SPRING SEASON ONLY) & BE DRAFTED

In order to be eligible to play one of the drafting divisions (Seniors, Juniors, 50/70, Majors or Minors AAA & AA divisions), a player **MUST** be evaluated before the Spring Season. This means all baseball and softball players who are league age 9 or older must participate in evaluations (unless evaluations are waived for the Juniors or Seniors divisions). League age 8-year old players **may** evaluate for the baseball Minors AA division in baseball or the Minors AAA division in softball but are not guaranteed to be drafted onto a team. Any league age 8 player who wishes to evaluate will only be considered for the AA division, but is not guaranteed a spot in that division.

SCHEDULE FOR EVALUATIONS

The schedule for evaluations is posted on the league website. There are four available sessions in which a player can evaluate (typically two different weeknights, a Saturday morning, and a Saturday afternoon). But a player only needs to evaluate at one session. Players choose their evaluation session during registration. A specific evaluation time is assigned to each player a few days before the session. Players should arrive in enough time to warm up before their assigned evaluation time.

WHAT TO BRING TO EVALUATIONS

Players should be dressed and equipped for baseball. They should have a fielding glove, bat, and batting helmet. They should wear baseball clothes, hat, and cleats. The league strongly discourages players from wearing sneakers or shorts to evaluations.

EVALUATION PROCESS

Players will be grouped together with 10-12 other players of similar age or experience. After checking in, players will enter the field and move through a series of drills involving ground balls, fly balls, pitching, hitting, and base running. Each player will get multiple repetitions at each skill. The drills are run by Majors division baseball players and members of the Board of Directors. Managers for the drafting teams will be on the field observing and taking notes. Each player will have a number of chances at each station. The evaluation process should last about 30 minutes.

PARENTS AND GUARDIANS AT EVALUATIONS

Parents, even if they anticipate being an assistant coach, are not permitted on or near the field or in the dugout during evaluations. The league will rope off the bleachers and areas surrounding the field during the evaluation. Parents should not attempt to coach or communicate with their child during the evaluation session. In the league's experience, this is typically detrimental to the player's performance.

MAKE-UP EVALUATIONS

Evaluations involve the commitment of many managers, league officials, and volunteers. Players should not plan on a make-up evaluation session being available if they miss evaluations.

PLAYERS WHO DO NOT PARTICIPATE IN EVALUATIONS

If a player does not participate in evaluations, he/she will not be eligible to play in the Majors division. Instead, the player will either be placed on a Minors division team by random draw or moved down to another division (depending on age and skill). Players who are league age 12 will not be placed on a Majors division team if they miss evaluations and their registration will be canceled. Players league ages 9-11 will be placed on a Minors division team, unless they are drafted into the Majors Division. (The Board may approve some league age 9-year olds to play in the Minors A division if a safety or player development reason justifies it.)

The only exceptions to this requirement that a player evaluate will be (1) a pre-approved waiver; or (2) an unexpected emergency. If a player has a prior commitment and cannot reasonably participate in any set of evaluations, that player must present the prior commitment to the league President at least one week prior to the beginning of evaluations. The Board of Directors will then review the request and determine if it is an excusable reason. If it is determined to be excusable, then that player would be eligible to be drafted in any division. If it is not excusable, then that player will not be eligible to be drafted into any division and will be placed on a minor division team for the entire season with the exception of 12-year olds as outlined above. In the case of an emergency that prevents a player from participating in any of the evaluation sessions, that player must present the circumstance of the emergency to the league President within two days following the last evaluation session. The Board of Directors will review the circumstance and determine if it was excusable. If it is determined to be excusable, then that player would be eligible to be drafted in any division. If it is not determined to be excusable, then that player will not be eligible to be drafted into any division and will be placed on a minor division team for the entire season with the exception of 12-year olds as noted above.

AN IMPORTANT NOTE ON 8-YEAR OLDS

Players who are league age 8 are welcome to register for and evaluate for the Minors AA division. But they are not guaranteed to be drafted. If an 8-year old player is not drafted into the Minors AA division, they will be rostered on a Minors A division team.

HOW THE DRAFT WORKS

A few days after evaluations are complete; managers in the drafting divisions will convene for the draft to select their teams.

The draft process is different depending on the player's age and division. The league's Policy & Procedure Manual contains details on draft procedures for the Majors and Minors divisions. Only managers and specific league officials with responsibility for conducting the draft attend. Parents, players, and prospective assistant coaches are not permitted to attend.

After the completion of the draft, managers will notify players on their teams. Players and parents are never notified where in the draft a player was selected.

CHANGING TEAMS ARE ROSTERS ARE FORMED

For the equity of all players and teams, once a player is drafted or rostered in either baseball or softball, he/she must play on that team. The league will not move players from team to team, with the exception of a player being moved up to a Major team to fill a vacancy as outlined in the league's Policy & Procedure Manual.

X. WHAT EQUIPMENT IS NEEDED

EQUIPMENT THE PLAYER IS RESPONSIBLE FOR PROVIDING

Each player should plan have the following equipment:

- Glove
- Batting Helmet (see details below)
- Cleats (must be molded or turf-style; metal spikes are not permitted for players or coaches in Little League except in the Intermediate (50-70), Juniors and Seniors divisions)
- Athletic supporter/cup (required for male catchers and STRONGLY recommended for other male players)
- Water bottle (multiple bottles are often necessary in hot weather games)
- Bat (not absolutely necessary; there are usually plenty to use)

**If the cost of gear is a problem for any player, please notify president@summerlinsouthll.org and we will assist in outfitting the player appropriately.

EQUIPMENT THE LEAGUE PROVIDES

The league will provide the following equipment to players or managers for each team:

- Player uniform** (jersey, hat, pants, socks, belt)
- Batting tees (in appropriate divisions)
- Catcher's gear (shin guards, chest protector, catcher's mitt, helmet w/ dangling throat guard)
- Game balls
- First Aid Kit & ice packs

** Teams are not permitted to "upgrade" or otherwise alter uniform elements (pants, hats, etc.).

AN IMPORTANT NOTE ON BATS

All bats must comply with Little League's bat restrictions, discussed in Section XI below.

AN IMPORTANT NOTE ON BATTING HELMETS

The league does not provide batting helmets. They are, however, available if needed by any player or coach who requests them and cannot afford their own. If a player has his or her own helmet it must meet NOCSAE specifications and bear the NOCSAE stamp as well as an exterior warning label. Under Little League rules, helmets may not be re-painted and may not contain decals or stickers unless approved in writing by the helmet manufacturer or authorized dealer. This means players may NOT wear helmets with club ball logos or other decals.

A NOTE ON COLD WEATHER GAMES

Some games are played in colder weather and will necessitate that players wear a long sleeve baselayer under their jersey. When players are in a pitching division, Little League rules require that any part of the undershirt or undersleeves of a pitcher be of a solid color. White undersleeves are not permitted for pitchers. Players should develop the habit early of complying with these rules and wear only undersleeves in dark, solid colors.

Hoodies or jackets (whether under or over the jersey) for cold weather games are not appropriate and therefore not permitted on the field. Players may wear hoodies or jackets in the dugout during cold weather.

For safety and conduct reasons, managers and coaches are required to wear the league-issued jersey with their name on back at all games. In cold weather games, managers and coaches are **not** permitted to wear outerwear over the jersey and should plan appropriately for a long sleeve baselayer under their jersey.

XI. BAT RESTRICTIONS

Only Little League-approved bats are permitted to be used in Summerlin South Little League. The requirements for each division are listed below. In addition, Little League International has assembled an online resource page dedicated to bat information. The latest bat information, including the current Little League rules and regulations governing bats, definitions, information on the moratorium on the use of composite bats, a series of bat FAQs, and lists of licensed bat can be accessed at <http://www.littleleague.org/learn/equipment/baseballbatinfo/batrules.htm>.

BASEBALL DIVISIONS

Little League Baseball® has adopted USA Baseball's new standard for bat performance for mandated use effective January 1, 2018. This means that, effective January 1, 2018, previously approved Little League bats will no longer be approved for use in Summerlin South Little League. All bats for the spring 2021 season will have to comply with the new USA Baseball bat standard.

JUNIORS, INTERMEDIATE (50-70), MAJORS & MINORS (AAA, AA & A) DIVISIONS

Beginning with the 2018 season, non-wood and laminated bats used in the Little League (Majors) and below, Intermediate (50-70) Division, Junior League divisions, and Challenger division shall bear the USA Baseball logo signifying that the bat meets the USABat – USA Baseball's Youth Bat Performance Standard. All BPF 1.15 bats will be prohibited beginning with the 2018 season. Additionally, starting in 2018, the bat diameter shall not exceed $2\frac{5}{8}$ inches for these divisions of play. Additional information is available at LittleLeague.org/batinfo.

All bats in these divisions must be checked and bear the league- approved bat sticker to show they are approved for play. Only members of the League's Board of Directors can approve and sticker bats. Talk to your team's manager to determine how to get your bat approved. Penalties for the use of unapproved or unstickered bats are outlined in each division's rules. Tee ball bats may only be used in tee ball divisions and are not approved for use in any non-tee ball division.

BASEBALL SENIOR DIVISION

Approved bats shall not be more than 36" in length, nor more than $2\frac{5}{8}$ " in diameter, and if wood, not less than $1\frac{5}{16}$ " inches in diameter ($\frac{7}{8}$ " for bats less than 30") at its smallest part. The bat shall not weigh, numerically, more than three ounces less than the length of the bat (e.g., a 33" long bat cannot weigh less than 30 ounces). All bats not made of a single piece of wood shall meet the Batted Ball Coefficient of Restitution (BBCOR) performance standard, and such bats shall be so labeled with a silkscreen or other permanent certification mark. The certification mark shall be rectangular, a minimum of a half-inch on each side and located on the barrel of the bat in any contrasting color. Aluminum and composite bats shall be marked as to their material makeup being aluminum or composite. This marking shall be silkscreen or other permanent certification mark, a minimum of one-half-inch on each side and located on the barrel of the bat in any contrasting color.

Summerlin South Little League does not sticker bats in this division.

TEE BALL DIVISIONS

TEE BALL MAJORS & TEE BALL MINORS DIVISIONS

Under the USABat standard, certified Tee Ball bats (26" and shorter) will feature the USA Baseball mark and text which reads ONLY FOR USE WITH APPROVED TEE BALLS. All Tee Ball bats must feature the USA Baseball mark and accompanying text.

All bats in these divisions must be checked and bear the league- approved T-BALL bat sticker to show they are approved for play. Only members of the League's Board of Directors can approve and sticker bats. Talk to your team's manager to determine how to get your bat approved. Penalties for the use of unapproved or unstickered

bats are outlined in each division's rules. Tee ball bats may only be used in tee ball divisions and are not approved for use in any non-tee ball division.

XII. PRACTICES

Practices for the Majors, Minors AAA & AA divisions and above will begin on August 23, 2021. All other divisions start practice on August 30, 2021.

Before Opening Day, teams typically practice twice each week (one weeknight; one Saturday). Once games begin, most teams hold one weeknight practice. Some teams also schedule regular cage time at the Mesa cages. Some tee ball teams do not practice during the season (manager's discretion).

Practice times are selected by the team's managers based on availability. Availability is dictated by the following factors: seniority (older divisions select practice times first), manager & field availability (the league has way more teams than field space), and the needs of a particular division (tee ball teams do not need pitching mounds and outfield fences, for example).

XIII. UNIFORMS

Summerlin South Little League is proud to offer what it considers the highest quality uniforms among other Little Leagues. Each player receives the following:

- MLB-replica jersey
- Knicker-style baseball pants (gray for Minors A division and below; white for AA division and above)
- Belt
- Socks
- Hat

Each player and team must wear the entire uniform provided by the league. Teams are not permitted to "upgrade" or otherwise alter uniform elements (pants, hats, etc.). The league's practice is to upgrade uniform elements starting at the AAA division level. For example, AAA players receive flex-fit hats. Majors division and above players receive flex-fit or fitted hats and (for the spring season) full button jerseys (assuming availability).

Players receive their uniform before Opening Day. Unworn pants can be exchanged for a different size at or before Opening Day. Jerseys will only be exchanged if the delivered jersey was not the size ordered. Otherwise the player's family is responsible for the cost of replaced or re-ordered items.

XIV. OPENING DAY

Each Spring Season, the league kicks off the season with a huge Opening Day celebration at Mesa Park. Opening Day is filled with fun and excitement, including a skills challenge featuring the Majors Division players, a home run derby featuring the Majors Division sluggers, food, music, the parade of teams, and a visit from college or professional baseball players. Team and individual player pictures are also taken on Opening Day.

Opening Day is also an excellent opportunity to purchase Summerlin South Little League fan gear, buy extra or surplus uniforms or gear at a steep discount, and participate in the Opening Day raffle fundraiser.

This season's Opening Day is March 13, 2021. The schedule of events will be announced in late February.

XV. GAME SCHEDULES

Games for most teams will begin on Opening Day. Younger teams in the tee ball divisions usually start their games the week after opening day. The regular season for all divisions will end by mid-May.

Each team typically plays two games per week (one weeknight; one Saturday) unless there is a bye situation or holiday. The league plays most games at the Mesa Park, although some games may be played at Vistas Park or the ball fields of our interleague partners (see the website or Parent & Coach handbook for addresses and location). Games are scheduled in two slots each night: 5:15 and 7:30. Younger teams (Minors A and below) play in the early time slot and older teams (Minors AAA and above) play exclusively in the later time slot. Minors AA can potentially play in both time slots.

The number of games a team will play in a given season varies by division:

Tee Ball divisions:

Tee Ball Minors:	12 games
Tee Ball Majors:	12 games

Baseball divisions:

Minors A:	12-14 games + postseason tournament
Minors AA:	12-14 games + postseason tournament
Minors AAA:	14-16 games + postseason tournament
Majors:	14-18 games + postseason tournament
Intermediate (50/70):	TBD
Juniors:	TBD
Seniors :	TBD

The game schedules are not created until teams are rostered. It is usually released two weeks before the season starts. Therefore, it is impossible to predict when a given team or division will play. The league typically has over 60 teams playing two games per week in tight succession. Requests for games to not be played on certain days therefore cannot be considered.

Summerlin South Little League does not schedule games during the CCSD spring break, Memorial Day weekend, Labor Day weekend, Nevada Day weekend, and Veteran's Day weekend. However, coaches may still elect to have practices during those times. In some instances, games are scheduled for the Friday night before a holiday weekend or the Monday evening ending a holiday weekend.

XVI. END OF SEASON TOURNAMENTS & AWARDS

The Tee Ball Majors & Minors divisions do not have an end of season tournament. These divisions are considered purely non-competitive and instructional. Participation trophies are awarded to each player in these divisions.

All other divisions (Minors A and above) will have an end of season tournament. The tournament format varies based on the size of the division and field availability. But the league typically selects a format that guarantees each team to play at least two tournament games.

Trophies are not awarded for regular season champions or runners-up. Instead, the focus of the regular season should be player development. For this reason, tournament formats will not always favor higher regular season seeds as much as one might expect. **The league's primary goal is to create the most competitive tournament possible—not reward higher regular season seeds.**

Trophies are awarded to the tournament champions and runners-up in each division. Depending on the division's size and structure, a 3rd-place trophy might be awarded.

The league also provides participation medals to all Minors A players, regardless of where their team finishes in the tournament.

For the purposes of tournament seeding, in the event of a tie, the better seed will be determined as follows:

1. The team with the best record in head-to-head play;
2. The team with the best overall record ignoring inter-league play;
3. Runs Against;
4. Runs For; or
5. Coin flip.

The tournament bracket or rules will outline the format for tournament ties.

The penalty for additional ejections or more flagrant offenses will be decided by the Summerlin South Little League Discipline Committee.

There is no room for this type of behavior. There will be no warnings or no second chances when it comes to fighting.

PARENT CODE OF CONDUCT

We, the Summerlin South Little League, have implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand and sign this form prior to their children participating in our league.

Any parent guilty of improper conduct at any game or practice will be asked to leave the sports facility and be suspended from the following game. Repeat violations may cause a multiple game suspension, or the season forfeiture of the privilege of attending all games.

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Good Citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the league.

5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or other sporting event.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or Parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and well being of the athletes.
8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
13. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.
14. I will promote the emotional and physical wellbeing of the athletes ahead of any personal desire I may have for my child to win.
15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.
16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.
17. I will refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team.
