ABOUT JR. PREDATORS HOCKEY CLUB

The Nashville Jr. Predators Hockey Club is a non-profit organization and was reestablished in 2019, when the Nashville Jr. Predators (EST. 2009) and the Thunder AAA Hockey Club (EST. 2004) merged together in the long-term best interest of the players and their families. NJP goal is to allow players to live at home or close to home, while still competing at the Tier I AAA, Tier II AA and Tier II Girls level against other top programs in the country. National in structure, Tier I AAA hockey is the most highly scouted and recruited youth division which produces the most players for non-pay-to-play junior leagues such as the USHL, NAHL and CHL. NJP hockey offers student-athletes access to full time professional hockey coaches that work within the guidelines laid out by the USA Hockey American Development Model (ADM). All of this is done in an effort to develop student-athletes for opportunities in hockey, the classroom and life. Jr. Predators alumni have been drafted to and/or are playing in the NHL, NCAA, USHL, NAHL, NA3HL, and CHL. The Nashville Jr. Predators AAA Hockey Club is a program of the Nashville Elite Hockey Club Inc., a recognized 501c3 tax-exempt, nonprofit corporation.

JR. PREDATORS HOCKEY CLUB MISSION

- Provide student-athletes in the Southeast Region the opportunity to compete at the highest level of amateur hockey available under USA Hockey.
- Provide an elite coaching staff specializing in high performance training for intense competition, allowing players to fully develop their athletic and team skills.
- Provide Jr. Predators athletes with an opportunity to achieve their academic and athletic goals throughout high school and college.
- Hold Jr. Predators hockey players academically accountable and provide a forum where all players can further their leadership and citizenship skills.
- Conduct operations with a level of fiscal responsibility, which will ensure the viability of the organization for the future.

NASHVILLE JR PREDATORS

TPH PART OF THE TPH TEAM

OPENING WEEKEND

All of the teams will participate in a unique High Performance Weekend to kick off the season. In addition to all of the components of a routine High Performance Weekend, this is an opportunity to meet the coaching staff and other Jr. Predators families. It is a great chance to get all your Jr. Predators team apparel for the season. There will be a program-wide meeting on Saturday night with speakers and maybe even a special guest.

WEEKDAY PRACTICES

Parallel weekday practices will be provided in each local supporting association (on-ice & off-ice); combined age groups; heavy focus on skill development; follow the skill progression of the USA Hockey ADM Program.

TIER 1 ELITE LEAGUE

The Nashville Jr. Predators Hockey Club is a full member in the Tier 1 Elite league, which is the top national AAA league in the country. 2019-20 is the ninth season that the Jr. Predators' 15U, 16U and 18U teams have competed in the league. This will be the fifth season in which the 15U's will participate in league play. This league features weekend series against divisional opponents as well as showcase and super showcase weekends featuring the best competition in the country. The Tier 1 Elite League year-end championship weekend in Blaine, MN is one of the biggest scouting events in the country each year. Along with the Super Showcase weekends, these events attract more than 150 scouts and coaches each.

However, participation in the Tier 1 Elite League has benefited more than just the 15U, 16U and 18U teams. All the Jr. Predators' younger teams played at least 15 games in Tier 1 Elite League showcase weekends. The Jr. Predators AAA Hockey Club also hosted the first Tier 1 Elite League Showcase in the boundaries of our Affiliate.

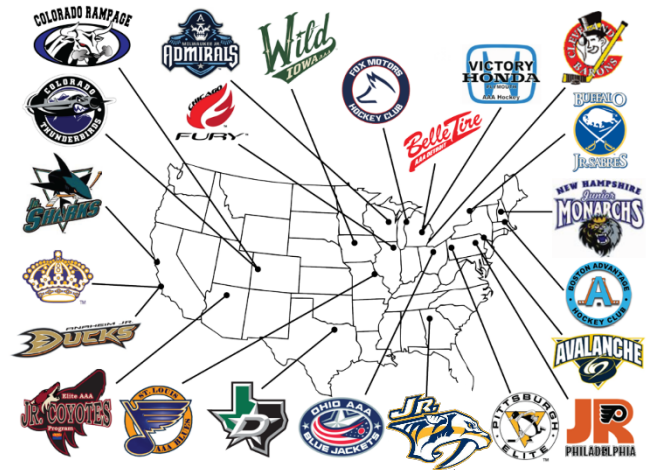

TRAINING CAMP

All selected players will participate in training camp in August to prepare for the season. Camp highlights include:

1. Positional clinics
2. Team building
3. On-ice and off-ice training
4. Classroom instruction and video sessions

HIGH PERFORMANCE WEEKEND

Training camp style experience; at least one weekend per month; hosted by local supporting association. Content: 4-5 hours on-ice practice, off-ice training, classroom style instruction, video analysis, team building, cross-over instruction from entire coaching staff. Maintains high practice-game ratios without mandatory relocation or billets.

SPONSORS

The Jr. Predators AAA Hockey Club is pleased to continue its partnership with Bauer Hockey, the world's leading manufacturer of ice hockey equipment. As a result of the partnership, players will be provided with hockey pants, Bauer warm-up jacket and pants, Bauer Core training polo, Bauer Team Tech T, and Bauer Team shorts.

CENTER OF EXCELLENCE

The Total Package Hockey Center of Excellence is a focused environment where dedicated student-athletes **study, train, and play** to their fullest potential. Our environment combines proven, accredited online learning with hands-on, innovative on and off-ice training and instruction. With a focus on choices, character, and culture, we believe in a holistic approach, and recognize that our

greatest responsibility is to prepare our student-athletes for success in the ultimate game: the game of life.

edmentumTM
THE EDMENTUM PLATFORM

Edmentum is the official learning partner of Total Package Hockey and offers a completely customized platform for CoE students, whereby individuals study online, via teacher-delivered live lessons, mostly within a cohort of TPH students. This format universalizes learning across all CoEs and creates a bond within our truly selective learning environment.

MORE INFORMATION

There are TPH Centers of Excellence located in Georgia, Alabama, Michigan, Colorado, Tennessee and Indiana. To apply or for more information on the Center of Excellence, visit totalpackagehockey.com.

COE LEARNING ENVIRONMENT

The Center of Excellence offers the flexibility of balancing academics with hockey. The CoE learning environment also provides:

- Disciplined, Daily Structure – Students maintain a disciplined, daily structure at the CoE. A typical CoE day strikes an appropriate balance between studying, training, and playing.
- Individualized and Customized Learning Plans – While the CoE prides itself on allowing each family to choose a learning provider, *Edmentum* has the ability to craft individual education plans for each student athlete
- Applicable and Far-Reaching Experiences – Skills such as time management and the ability to learn in different settings prepare our student-athletes for an independent lifestyle. Mentoring future leaders who understand what it means to do the right thing on and off the ice is central to positively impacting the lives of our student-athletes.

TPH PART OF THE TPH TEAM

Greetings from the Elite Edge Hockey Showcase!

Please accept this as a formal invitation to the Elite Edge Hockey Showcase (June 10 - 13, 2019 at Ford Ice Arena in Antioch, TN). This is the 14th annual Elite Edge Hockey Showcase and I believe we are the premier destination for players looking to improve their skills, learn about the development path, challenge themselves at the top level possible and get exposure to the maximum number of teams possible.

As we approach less than six weeks before our program, it is important to update you on some exciting developments with our program. Among the teams who are confirmed for this June:

Notre Dame University * Colgate University * Harvard University * University of Alaska-Anchorage * Michigan Tech * University of Alabama-Huntsville * University of Massachusetts-Lowell * American International College * SUNY-Cortland * Southern New Hampshire University * Wentworth Institute of Technology * University of Massachusetts-Boston * Omaha Lancers (USHL) * United States National Development Team Program (USHL) * Cedar Rapids RoughRiders (USHL) * Shreveport Mudbugs (NAHL) * Chippewa Steel (NAHL) * Austin Bruins (NAHL) * Corpus Ice Rays (NAHL) * Minnesota Magicians (NAHL) * Wilkes-Barre Knights (NAHL) * Aberdeen Wings (NAHL)

As in past years, spots are filling up quickly and we expect to be in full capacity in both our Junior Division (2000-2003 born) and Future Prospects (2004-2005). Right now the following spaces remain:

Junior Division goaltenders – WAITING LIST

Junior Division defense – 11 spots remain

Junior Division forward – 18 spots remain

Future Prospects goaltenders – WAITING LIST

Future Prospects defense – 12 spots remain

Future Prospects forward – 20 spots remain

Each Elite Edge division will play four games and will have three practice sessions (including one forward/defense session). The seminars, off-ice training, video sessions and team building will be geared towards the individual groups. This is done to make sure the players in each group are receiving the instruction needed to help them excel at the next level in their hockey careers. Both groups will have the same off-ice testing to maintain a standard through the camp and will be included in the Elite Edge database to keep this information as a reference for when a player returns to the camp in coming years. All groups will be coached and scouted by NCAA, USHL, NAHL and Canadian Junior coaches. Our list of alumni and coaches who have participated is attached.

Our website – www.eliteedgehockey.com - should answer any questions you may have regarding the Elite Edge Hockey Showcase. With a staff of professional hockey coaches from all levels of college and junior hockey, we are able to give players the full hockey experience. We offer top level on-ice practices, highly competitive game situations, professional on-ice training, video sessions, team building experiences, seminars and a full post-camp interview and report card with the player, his parents and an Elite Edge coach. Each team will have its own coaching staff and also will receive instruction from other professional, college and junior coaches in attendance.

The Elite Edge Hockey Showcase is not like any other program in this area and will be the top showcase of players here season. Cost of the camp is \$595 for position players and \$695 for goaltenders. If you have questions, please contact me directly at 615-642-3354 or at eliteedgehockey@gmail.com.

We wish you continued success and look forward to seeing you in June.
