New Business

1. WAHA update

- **Current Registration numbers-** Bryon

We discussed new strategies for recruiting. We are wanting to do Peach Jar in the schools which will require payment. We want to also do a Try Hockey for Free with the Wild players, hopefully in attendance.

We also discussed having the Learn to Play in Lynnwood attend our Try Hockey For Free to have used hockey gear for sale.

We may try and do this event between December and January, and we will reach out to the Wild to work on a day that will work for them.

- **ADM/Powerskate update-** Bryon and Lily

We discussed how Powerskate and ADM is running. Our biggest issue is Powerskate and needing more coaches/adults on the ice to help with giving directions and keeping kids organized.

- **Coaching update-** Bryon

We discussed the issue of coaching verification, and making sure that all coaches have their safesport, background checks and modules completed before stepping on the ice.

- **10U format change**

This is the last year that 10U will have to be half ice. It has not yet been clarified what the plan at the PNAHA level will be for next year, but PNAHA is asking associations for their feedback for next year.

We discussed how the rest of the country is full ice for 10U, and we would like to follow the same. We also discussed keeping full ice for Bronze, Silver and Gold levels to keep it consistent across 10U.

We talked about having 8U Devo kids who will be aging up to 10U next year come to a 10U rep practice to gauge the interest for next year.

2. Apple Cup tournaments

- **Tournament committees**

We need a Tournament Director for Apple Cups to have a WAHA presence for Apple cups, as Lily will not be able to be there. The Apple Cup dates are January 17-19th, January 24-25th and February 14-16th.

- **Team Invitations**
