General Meeting

Welcome and Introductions-

Minutes from September- Approved to post

Treasurer's Report and income statements from Chuck M Account balance \$329,447 more to come

Report of Committee- House update: Fall season ended this past weekend Oct 9th. Winter starts Oct 16th total number for winter session are over 275 up by over 100 kids plus many still on the waiting list. Kim is working with Chuck to secure more field time to cover the overage. Winter price is \$105. We did run the early bird for 2 weeks at \$95. Kim is looking for suggestions on how to cap age brackets. Currently she has to close registration when 1 group is full and causing a lot more emails and phone calls.

Travel update: Registration is open only 126 out of 320 have completed registration. Split payment plans are always an issue due to health flex cards. 2/1 2nd payment is due.

BWNYJSL-

- Looking for a district commissioner for NSW.
- New ref training will start in January. It will be 1 day online and 1 day in person. We are in need of about 200 new refs. Clubs should start marketing by sending emails to help promote needs.
- Season will be May 1st to August 6th next year. Some fees will be waived. Bob L would like to have a round table to discuss issues among the clubs.
- Roster will freeze in early April.
- No reschedule process unless weather was the issue.
- U8 teams league is still a possibility but fee will be reduced to \$600 per team. LDSC would like to register a team but needs to work with BWNYJSL to make sure it is a pure U8 team. Want more 4v4 festivals.

- Alignments are still in the works no new news.

Old business:

Sahlen's contracts completed by Mike Davis

Checkers fundraiser- We received a \$800 check already still waiting for final numbers. The biggest issue we ran into was that everyone who came in needed to mention the fundraiser. Hoping for about \$1000. Looking to create a sponsorship package to offer a fundraiser.

Tree planted and memorial plaque completed at Westwood park. Tony submitted and was reimbursed.

Uniform site we got soccer up and running. No major issues so far.

Tessa's replacement has been named and it was split into 2 positions to help Kim out with house league. The trainer position was filled by Maddie Catalano and Asst house coordinator was filled by Lauren.

Tim K super senior game- Looking for a donation of \$750 but will be okay with \$500. Money goes to rental of sahlens, tryouts and tshirts. Board Approved \$500.

Leaf discussion- Chuck M Leaf has raised \$470,000 toward turf at the high school. Capital project will match \$500,000. May be able to give us more green space to use. Looking for a donation of \$30,000 maybe less as they continue to raise money. Last check they still needed \$12,000. Tabled for more discussion and vote at the November meeting.

Trainer rate- Pat to reach out to Tessa for current rates. Min wage going to \$13.20 on December 31, 2021 Chuck would like to move all trainers to \$15 per hour. Discussion tabled until November meeting.

Elections- Group 2

Re-elected Pat Uhteg, Mike Davis, Tony Manetta, Neil Gladstone, Brian Cinelli Newly elected Beth Schilling

Executive Board Kevin Wiese VP and Pat Uhteg Treasure

Next meeting we need to visit

1. Bylaws and make amendments
2. Conflict of Interest signatures
