# 2021 Score Reporting Protocol

The coach(es) of the winning team must report final game scores and pitch counts (if applicable).

**For Minors (AAA) and Majors Divisions (Click Here)**
For Tball and Coach Pitch:

Since there is no need to include pitch counts, final scores can be reported through the phone app.
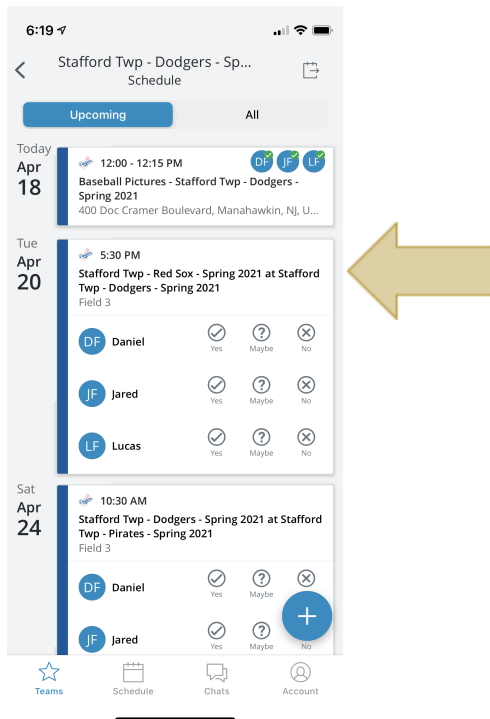

1. Log into the Sports Engine app on your mobile device.
2. Select your team.
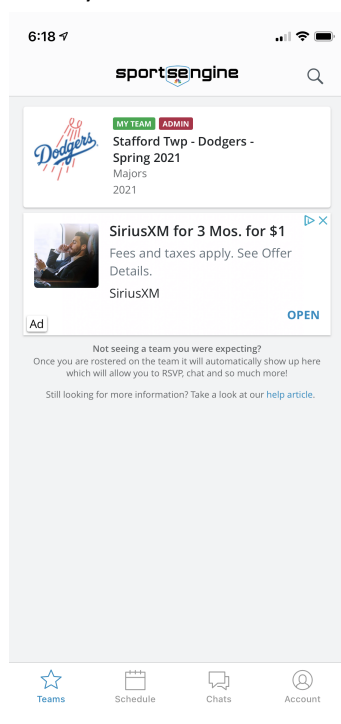

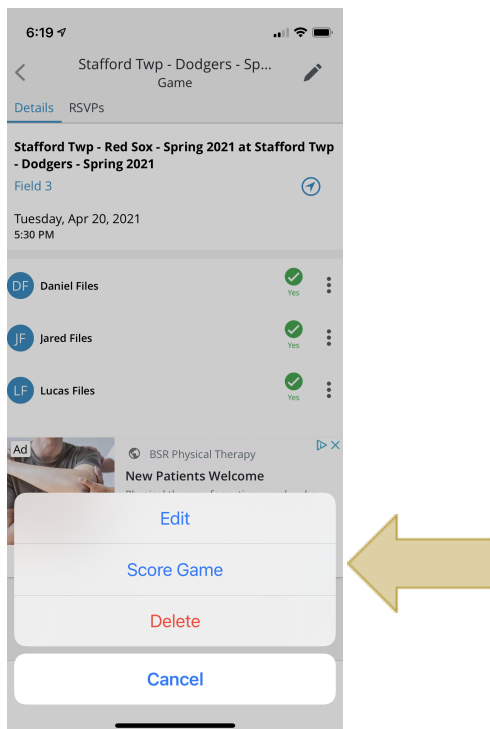

3. Select schedule.

4. Select the game (heading) you want to score.

5. Select the Edit (Pencil) in the top right corner of the screen.

6. Select the **Score Game** option.

7. Set the status of the game (In Progress or Final) and use the + and - to update the score.

8. Be sure to select **Save** at the top right of the screen to commit the updates.
9. Confirm the final score is accurate on the **Summary** screen.

**For Minors (AAA) and Majors Divisions**

The need for reporting pitch counts requires the coach to access and score the games through the website on a PC.

1. Navigate to https://www.staffordlittleleague.org and log into your account. Select the arrow to the right of **Home** on the left navigation pane.

2. Select the arrow to the right of either **(Minors) AAA** or **Majors** as necessary.

3. Select your team to navigate to your team website.

4. Select the **Edit Mode** switch in the top left of the screen. The website will change to show the Admin options for your team's page (adds the yellow items below).
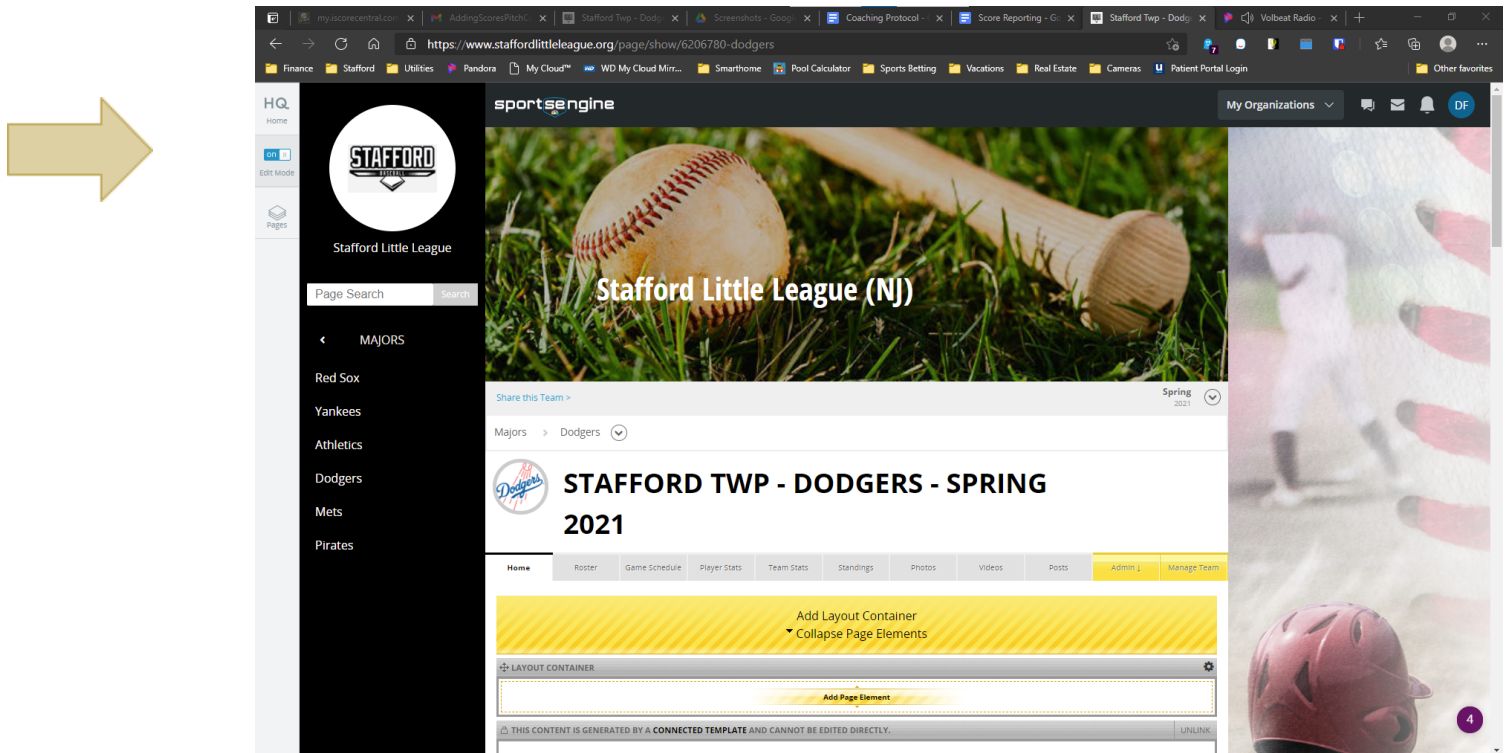

5. Select the **Game Schedule** tab from horizontal tab selection.

6. Locate the game you wish to score and navigate to the **Status** column. Click the date or image in the status column to open the scoring page.

7. You must select the **Edit Stats** option to score the game and enter pitchers with pitch counts.
