

Dear Valued Business and Community Member,

The Elk River-Zimmerman Girls High School Lacrosse team is eagerly anticipating the return of lacrosse for the 2021 season and are hoping you will be a part of it!

Last March when the COVID-19 pandemic hit our community, everything was shut down and our entire 2020 lacrosse season along with it. In those uncertain times, the players, coaches, and parents were devastated by the loss of the opportunity to play, but we remained hopeful that we would get back to the game as soon as possible. While that didn't happen last year, we are more than ready to see the start of a great 2021 season in April!

The past year has certainly been challenging in many regards, and our student-athletes have had to deal with constant change. We know this season will not look the same as in years past, first due to COVID-19 and the restrictions the Minnesota State High School League have enacted to protect the health and safety of all involved with lacrosse, but also secondly due to the construction of a new stadium/field at Elk River High School (this second one however will be a welcomed change to adapt to!)

While we realize these have been difficult times for many, we are hoping for your support. By becoming a sponsor for ERZ Girls Lacrosse, not only are you supporting the community, but also reaching a diverse and unique demographic of patrons and potential clients. As a valued business in our community, we recognize that you have many opportunities to give. Your support helps the team in many ways. Funds donated from sponsors are used to rent turf time, update uniforms, fund scholarships, offer tournament opportunities, maintain websites and recording equipment, as well as other expenses not met by fees. We anticipate a great season of lacrosse and would love for you to be a part of it!

Included with this letter please find the sponsorship form with the list of options available. We ask that all sponsorships be in by April 15, 2021. Your donation is tax deductible! Our tax id number is: 27-2646942. Thank you in advance for your support and generosity.

Sincerely,

Sara Soukup, Elk River-Zimmerman Girls High School Lacrosse Booster Club President
