

You sign up for an account in Kroger's website. You will link your frequent shopper card to your account. You will then sign up for community rewards. You can select our non profit club from their list and every 3 months they will make a donation to our club of 5% of your grocery purchases. Then every 3 months you will get an email to send your points to Susie Gordon. She will then write a check to your team manager for the same amount and that amount will get deducted from your team fees. You can sign up as many people as you want and collect their points for your player. You just have to get a screen shot of their points every 3 months.

Our club is listed as Tennessee Valley Futbol club. You can also add the code. If you live in the tri-cities/SW Virginia area your code is CR747. If you live in the Knoxville area the code is JK629
