Welcome to the 30th annual Lake Placid Summit Lacrosse Classic!

Dear Friends:
Welcome to the 30th annual Lake Placid Summit Lacrosse Classic! When my good friend Mike DeRossi and I founded the event in 1990, we certainly did

LAKE PLACID LACROSSE™

A special shout-out and thank you goes to the following community leaders who have had the most profound effect upon the Summit: the late Ned Harkness, Butch Martin, Jim

McKenna and Roby Politi. We thank them for their guidance and efforts over many years to create state of the art facilities for our event in the wonderful destination of Lake Placid. We have also benefitted from having some of the best and most capable staff members to help shape and manage our event, including my business partner and CEO Ashley Murphy, and our Brand and Tournament Director, Kevin Leveille. Our full-time staff is supported by a loyal and experienced group of sub-directors whose are a foundation of the Summit Classic. A special thank you goes to our retired directors including the following: Mike DeRossi, the late Mark Snyder, John Morgan, Anthony Ortolano and Tom Pillsworth, all of whom contributed to the event for many, many years.

We want to send a heartfelt thank you to the many teams and players who have graced our playing fields over the years. We have made many friends sharing life experiences in this beautiful part of the world where athleticism and an appreciation of the natural environment share center stage.

Looking to the future, we are excited about the potential for growth of the "world" game and hopeful for inclusion in the 2028 Olympics. We see this stage as a great opportunity to grow our game organically throughout the world, and with Lake Placid's historic role as a two-time Olympic community, the potential for Lake Placid to be a key cog in this evolution is genuine.

Finally, I want to thank our many sponsors and advertisers for their trust and support of our Lake Placid events. A special thank you goes to the following organizations: Nike, STX, Graph-Tex, Lax All-Stars, Sticker Mule, Olympic Regional Development Authority, and ROOST.

The Summit Lacrosse Society Code Of Conduct

Summit Lacrosse Ventures (SLV) event participants including players, coaches, spectators, vendors and parents are to conduct themselves in a manner that "Honors the Game" and demonstrates respect for other participants. As a participant in the SLV event, an individual assumes certain obligations and responsibilities to the game of lacrosse and its participants. The essential elements in this "Code of Conduct" are HONESTY and INTEGRITY. Those who conduct themselves both on and off the playing field in a manner that reflects these elements will bring credit to the sport of lacrosse, themselves, their team, and their organization. It is only through such conduct that our events can earn and maintain a positive image and effect on all who are impacted by them, to include host communities and facilities. Summit Lacrosse Ventures commands the following behaviors for those participating or involved in any way in the SLV event:

• Regard in earnest, the pillars of the **Summit Lacrosse Society, which embody the virtues that we at SLV hold with the utmost regard and importance:**

• **RESPECT:** People and property; Yourself; Your team; Your opponent; Your staff/officials; Your venue; Your host community; Those who came before you; Respect the game and its legacy.

• **COMPETITION.** Succeed to your greatest potential, as individuals and as teams, on and off the field, in lacrosse, and in life. Compete fairly and with sportsmanship, to advance the best interest of the game and the greater community.

• **CAMARADERIE.** Appreciate the tremendous and vibrant community of which you are a member; build relationships for life; enjoy good times and great people, in special places.

• The essential elements of the "Code

of Conduct" must be adhered to.

• Sportsmanship and teaching the concepts of fair play are essential to the game, and must be taught and developed, both at home and on the field during practices and games.

• The emphasis on winning should never be placed above the value of good sportsmanship, the concepts of fair play, or the fundamental skills and education of the game.

• Derogatory comments are unacceptable. Use positive reinforcement with players and adults alike.

• It should be remembered that criticism, once made, can never be retracted.

• The safety and welfare of players and participants are of primary importance.

• Coaches must always be aware of the tremendous influence they have on their players. They are to strive to be positive role models in dealing with young people, as well as with adults.

• Officials are expected to conduct themselves as professionals and in a manner that demonstrates courtesy and fairness to all parties while exercising their authority on the field.

• Adults involved with the game must never permit anyone to openly or maliciously criticize, badger, harass, or threaten an official.

• Knowledge of the rules of competition must be respected and adhered to by all who participate in the game of lacrosse, both in the letter and the spirit of the game. Attempts to manipulate rules in an effort to take unfair advantage of an opponent, or to teach deliberate unsportsmanlike conduct, is considered unacceptable conduct.

• Eligibility requirements, such as age and previous level of participation, must be followed. They have been established to encourage and maximize fair participation, as well as promote safety. We rely on the honesty of participants to govern eligibility.

SUMMIT LACROSSE SOCIETY: DNA OF A MARK

POSITIVE DIRECTION

The triangle incorporating the plus sign is commonly found on summit markers, which designate a mountain's highest point. For SLV, the triangle symbolizes aspiration, the three pillars of our code of conduct, and Whiteface Mountain. The plus sign represents positivity.

CIRCLE OF TRUST

The circular shape of the mark represents unity, inclusion, wholeness and infinity.

CAMARADERIE

Appreciate the tremendous and vibrant community of which you are a member; build relationships for life; enjoy good times and great people, in special places.

COMPETITION

Succeed to your greatest potential, as individuals and as teams, on and off the field, in lacrosse, and in life. Compete fairly and with sportsmanship, to advance the best interest of the game and the greater community.

[SUHM-IT]

1. The highest point or part, as of a hill, a line of travel, or any object; top; apex.
2. The highest point of attainment or aspiration: the summit of one's ambition.
3. The highest state or degree.

GOLD STANDARD

Gold symbolizes quality, value, optimism, richness and warmth.

ESTABLISHED

The Lake Placid Summit Lacrosse Classic, Summit Lacrosse Ventures' Flagship event, was established in 1990. Since then, camaraderie, competition and respect have shaped the event as it has become one of the most prominent lacrosse tournaments in the world.

SOCIETY

Our lacrosse community, characterized by the people within, inclusivity and built on the strong roots, honor and love of the game.

RESPECT

People and property; Yourself; Your team; Your opponent; Your staff/officials; Your venue; Your host community; Those who came before you; Respect the game and its legacy.

Hazardous Weather/ Evacuation Policy & Procedures

In the interest of ensuring participant safety and the appropriate use of the fields and facilities, Summit Lacrosse Ventures reserves the right to postpone, cancel, or shorten games due to inclement weather, especially lightning. Rules governing play are consistent with NCAA rules with regard to lightning and extreme weather. The call for game delays will come from event management staff. If a staff member or referee sees lightning, it is to be reported over the radio; game delay decisions are not the responsibility of staff or referees. If lightning or hazardous weather is detected, the following mandatory procedures will be implemented. Should any participants choose not to comply with SLV's weather protocol, they do so at their own risk.

- Once severe weather is imminent, an air horn will sound multiple times, indicating that the field area must be evacuated. All staff and tournament participants (players, spectators, staff, vendors) are to evacuate the playing field and related areas and go to their vehicles for safety for approximately 30 minutes from when the last hazardous condition is detected. All tournament activities, to include vendors are to cease operation. No participants are to return to the fields until

a second series of horn blasts is heard, or upon notification by a Director. No one is allowed back into the playing field area until officials have determined that it is safe to resume play.

- Participants are to remain in their cars, and are not to leave the venue until tournament directors have confirmed that play will not resume.

- Secured tents and equipment can be left at the fields until the storm delay is over; • Once the severe weather clears, a horn blast will denote when it is safe to resume play; • If a weather-related evacuation occurs during the 1st half, teams

will return to play the 2nd half of the game, weather permitting. If the evacuation occurs during the second half, the game MAY pick-up where it left off (weather permitting), OR the game MAY be terminated, and the score recorded as is. If the score differential is equal to or greater than 6, regardless of time remaining, the game may be terminated.

- Tournament officials will make every effort to "make-up" time, but the schedule may be delayed up to the duration of the suspension of play; • Please be advised that for all issues effecting game play (e.g.- field/goal conditions, sched-

ules, seeding/reseeding, playoffs, weather-related play halts/restarts, etc.), official information and decisions can only be obtained from tournament Directors, who are located at the tournament headquarters. Please do not request or expect formal information from score keepers, referees, grounds keepers, parking staff, or security personnel.

- In addition to being available at the tournament headquarters, tournament Directors will first and foremost utilize the tournament social media, website, and email/mobile phones in an emergency, to communicate information pertinent to game play.

- It is ultimately the team's on-site representative's responsibility to seek out and obtain correct and timely information that affects their team's play from the tournament Directors. This above signifies the need for teams to COMPLETELY fill out registration material, including contact information for on-site team representatives.

- Inclement weather is out of the control of tournament directors. Every effort will be made to facilitate fair and maximum play, with safety as the principal factor. SLV is not responsible for venue conditions related to weather, force majeure, or other events beyond its control.

THANK YOU FOR YOUR ATTENTION TO AND COMPLIANCE WITH OUR SAFETY POLICY AND PROCEDURES!

4. Overtime: Overtime will follow the completion of a tied game; format will be 4v4 (3 GK). No offsides enforcement. No subs. Continuous sudden victory to determine a winner.

5. Delay of Game: Teams may be assessed a delay of game penalty if not ready to begin play at the scheduled time; games may be shortened at the discretion of the organizers to keep game times on schedule.

6. Tie Breaks & Re-Seeds: Refer to the SLV Tournament Tie-Break Formula for all divisions

7. Timeouts: There are no timeouts granted in regulation or overtime. Only an official may stop the game.

8. Alternating Possession: In the event of alternate possession, the first team listed on the scoresheet is given first possession.

10. Goalies: Goalkeepers are encouraged to wear thigh pads and shin guards; no penalty will be assessed if they chose not to.

11. Expulsion, Ejection, or Fighting: To the discretion of officials and/or tournament directors, any participant (player, coach, team official, or spectator) who is ejected during tournament play, on or off the playing field, may be subject to a one or more game suspension, up to automatic disqualification from the tournament. Any player or coach called for verbal abuse will serve a one-minute unsportsmanlike conduct penalty. Continued abuse will result in ejection from the contest, and potentially the tournament.

12. Summit Society: All teams, coaches, players, parents and team officials must adhere to the Summit Lacrosse Society. No profanity or unsportsmanlike conduct will be tolerated. Offending team(s) may be disqualified.

Timing: All 18 - 45 men's games will consist of four 15-minute running time periods, with a 5-minute halftime. 50 - 65 games can be set at 10 to 15-minute running time periods, subject to the mutual consent of participating teams. Penalties will be stopped time. Personal fouls will be timed at 1-minute, and technical fouls are 30-seconds. All fouls are released if the man-down team is scored on, unless otherwise indicated by the officials. *Note - game duration and halftime may be shortened by the mutual agreement of participating teams. Also, at the discretion of the tournament organizers, game times may be shortened due to inclement weather, or to keep the tournament on schedule.

3. Overtime: In the event of a tie game at the end of regulation, Sudden Victory overtime will begin after a 3-minute break. Overtime periods will be 3 minutes of running time. There are NO timeouts allowed in overtime periods.

4. Delay of Game: Teams may be assessed a delay of game penalty if not ready to begin play at the scheduled time; games may be shortened at the discretion of the organizers to keep game times on schedule.

5. Weather Delay: If a weather-related evacuation occurs during the 1st half, teams will return to play the 2nd half of the game, weather permitting. If the evacuation occurs during the second half, the game MAY pick-up where it left off (weather permitting), OR the game MAY be terminated, and the score recorded as is. If the score differential is equal to or greater than 6, regardless of time remaining, the game may be terminated.

6. Tie Breaks & Re-Seeds: Refer to the SLV Tournament Tie-Break Formula for all divisions

7. Timeouts: Each team will be permitted two 1-minute timeouts per half, and may be called by the team in possession any place on the field. Timeouts may also be called by either team during a dead ball situation. The game clock will be stopped during timeouts. There are NO timeouts allowed in overtime periods.

8. Face-offs: Face-offs will be conducted with the 2017-2018 NCAA rules as a guide. Adjustment of sticks prior to the set call will be allowed by officials to ensure proper placement of the crosse & bodies. No player may pick up or carry the ball in the back of the stick. Carrying the ball in the back of the stick is defined as no more than 1 step. Face-off violations will result in a turnover. The player in violation may stay in the game and play defense. Violations are NOT counted by the officials, but continued technical fouls by a player or team may result in a 1-minute unsportsmanlike conduct foul.

9. Advancing the Ball, Counts & Stalling: No counts will be used unless a stall warning is issued. If a stall warning is issued the ball must be moved to the attack box area within 10 seconds and kept in the attack box area. There will be no automatic 2-minute stalling rule in the fourth period. In the event of alternate possession, first possession will be awarded to the first team listed on the scoresheet.

10. The Dive: Plays for offensive players around the crease shall be adjudicated as per the NFHS rules (read: no diving).

11. Over and Back Rule: Once the offensive team establishes offense below the restraining line, the ball is considered live for over and back rules. If offense causes the ball to cross the midline, a turnover will result.

12. Substitutions: All substitution will be on the fly.

13. Restarts: Restarts will be as per NFHS Rules. Quick restarts are encouraged, but no player may be within 5 yards of the player in possession. Goaltenders will be allowed a maximum of 5 seconds to return to the crease area.

14. Slow Whistle Rule: When a flag is thrown, the slow whistle will end play if the ball hits the ground or comes above the offense restraining line.

15. Equipment & Crosses: Head coaches must certify their teams as properly equipped, as per rule, prior to the beginning of each contest. In the absence of a head coach, the team's captain shall certify the team is properly equipped. Failure to certify a team as to proper equipment will result in a forfeited game. All players will be expected to have appropriate equipment including sticks, helmets, chin straps, mouthpieces, and satisfactory gloves in accordance with NCAA standards. Each player is required to wear the issued uniform of its team. Crosses may conform to either NCAA or NFHS rules with regard to width & length. Crosses narrower than 6" at the top of the head or that do

not meet length requirements are to be assessed as 3 minute fouls & the stick is removed from play. Pocket depth infractions will be 1 minute fouls and may be corrected before entering the field of play. No more than 4 long sticks on the field at any time, per team.

16. Body checking: 50 and Older Divisions: No body checking is allowed. 35 & 45 Divisions: Limited contact only on the player in possession. 18 & 30 Divisions will play NCAA Rules for body checking.

17. Miscellaneous: Teams will be assessed a delay of game penalty if not ready to begin play at the scheduled time; teams are responsible for being ready to play at the scheduled time for each game. Blood/bleeding situations will follow NCAA guidelines. Subject to player eligibility requirements, all teams and players requesting roster exceptions must report to the game officials (including staff running the table) at least five minutes before the scheduled start time of the game; failure to do so may result in forfeiture and disqualification of the infracting team and player(s).

18. Expulsion, Ejection, or Fighting: To the discretion of officials and/or tournament directors, any participant (player, coach, team official, or spectator) who is ejected during tournament play, on or off the playing field, may be subject to a one or more game suspension, up to automatic disqualification from the tournament. Any player or coach called for verbal abuse will serve a one-minute unsportsmanlike conduct penalty. Continued abuse will result in ejection from the contest, and potentially the tournament.

19. Summit Society: All teams, coaches, players, parents and team officials must adhere to the Summit Lacrosse Society. No profanity or unsportsmanlike conduct will be tolerated. Offending team(s) may be disqualified.

2019 SLV: WOMEN'S ADULT DIVISIONS RULES

The Women's divisions will utilize NCAA Rules to include:

1. Self-Start: Exceptions: All fouls in CSA, off sides violations, alternate possession situations, carding situations, and on any stoppage of the game clock.

2. Free Movement: When the whistle is blown, players on the field may continue moving. Defenders cannot be within 2-meters of the player with possession.

3. Simultaneous Whistle: When a defender violates shooting space and the whistle is blown simultaneously as a shot is taken: If goal is scored, it counts. If the goalie makes a save and maintains possession, there is no 8-meter shot awarded, and the goalie maintains possession.

4. Draw: A max of 3 players per team can be in the midfield during a draw; no one else is permitted beyond the restraining lines until possession is determined.

5. Goal Circle play: Defense is allowed to run through the crease when not in possession of ball, and stand in when within a stick's length of ball carrier. Any number of players are allowed in the crease when in possession of ball.

6. (Attack) Goal Circle Foul: Goalie gets possession; offending player goes behind goal.

7. Free Space to Goal: If advancing to goal and looking to shoot. GK exempt.

8. Alternate Possession: Alternate possession replaces the throw.

9. Body Ball: Allowed, except to blatantly block a shot on goal with body 10. Cards: 1-min [releasable: yellow, non-releasable: red]

With the following exceptions;

1. Eligibility: It is the responsibility of each team to ensure that all players meet age eligibility requirements for the division in which they participate, as published on the tournament website and Terms & Conditions.

2. Timing: All games will consist of two (2) 23-minute running time halves with a five-minute half-time. Penalty time will also be running time. Yellow cards are non-releasable 1-minute fouls. Any player receiving (2) yellow cards in one game will be removed from that game. A player receiving a red card will serve a 2-minute, non-releasable penalty, will be removed from the game, and potentially their next game. The clock will stop in the last minute of each half, unless there is a 10-goal differential, in which case running time will continue. *Note - game duration and halftime may be shortened by the mutual agreement of participating teams. Also, at the discretion of the tournament organizers, game times may be shortened due to inclement weather, or to keep the tournament on schedule.

3. Overtime: Sudden victory overtime will follow the completion of a tied game after a 3-minute break; sudden victory periods will be 3 minutes of running time.

4. Delay of Game: Teams may be assessed a delay of game penalty if not ready to begin play at the scheduled time; games may be shortened at the discretion of the organizers to keep game times on schedule.

5. Weather Delay: If a weather-related evacuation occurs during the 1st half, teams will return to play the 2nd half of the game, weather permitting. If the evacuation occurs during the second half, the game MAY pick-up where it left off (weather permitting), OR the game MAY be terminated, and the score recorded as is. If the score differential is equal to or greater than 6, regardless of time remaining, the game may be terminated.

6. Tie Breaks & Re-Seeds: Refer to the SLV Tournament Tie-Break Formula for all divisions

7. Timeouts: Each team will be permitted one (1) 1-minute timeout per half. Timeout may be requested after a goal is scored, or the requester's team is in clear possession of the ball. The game clock will be stopped during timeouts. There are NO timeouts allowed in overtime periods.

8. Alternating Possession: In the event of alternate possession, the team listed first on the scoresheet will be awarded first possession.

9. Expulsion, Ejection, or Fighting: To the discretion of officials and/or tournament directors, any participant (player, coach, team official, or spectator) who is ejected during tournament play, on or off the playing field, may be subject to a one or more game suspension, up to automatic disqualification from the tournament. Any player or coach called for verbal abuse will serve a one-minute unsportsmanlike conduct penalty. Continued abuse will result in ejection from the contest, and potentially the tournament.

10. Summit Society: All teams, coaches, players, parents and team officials must adhere to the Summit Lacrosse Society. No profanity or unsportsmanlike conduct will be tolerated. Offending team(s) may be disqualified.

Women's 30 will include the following exceptions;

1. Timing: All games will consist of four (4) 6-minute, running time quarters, with 1-minute between quarters, and a 2-minute halftime. Penalties will be 1-minute running time. Yellow cards are non-releasable 1-minute fouls. There are no timeouts granted in regulation or overtime. Only an official may stop the game. Overtime will follow the completion of a tied game; format will be 4v4 (3 GK). No offsides enforcement. No subs. Continuous sudden victory to determine a winner.

2. Gameplay: Games will consist of a 7 v 7 format, 6 field players and a goalie per side. There will be no restraining line, but typical boundary rules will otherwise apply, to include off-sides enforced at the midline (2 field player GK stay back). "On the Fly" substitutions are permitted, but must be from the designated sub box. One draw to start each quarter; goalies will initiate the clear after each goal.

a. Over & Back: Once the ball is advanced over midfield, the offensive team may not bring it back over to their defensive half unless the ball was last touched by defense, or a shot leaves the offensive half of the field.

b. Out of Bounds: If a shot misses the goal and does not deflect off a defensive player or their stick, the ball is awarded to the opposing team

c. The goalie (or whomever clears the ball from the crease) may not remain in the goal circle for more than five (5) seconds when in possession of the ball.

SLV TOURNAMENT TIE-BREAK FORMULA: ALL DIVISIONS

In reseeding teams or in any other tie-break situation, the following tournament tie-breaker will be utilized:

1. Head to head competition; all tied teams must have played each other for this to apply;

2. Fewest goals allowed;

3. Highest goal differential, total goals scored (12 goals per game max, in a full-length game), less total goals given up; In the event of a forfeit, the score will be recorded as 13-7 for any full-length game.

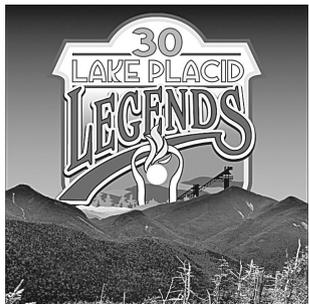

• For shortened games, ex. CCWC (20-minute games), max goal differential per game will be 6. A forfeit will be recorded as 7-4.

4. Most goals scored;

5. Coin toss

NOTE: After each level of criteria is utilized, the tie-break resets. Example: If there is a 3-way tie, and one team secures a seed/slot based on goals against, the tie-break resets to head-to-head for the next seed/slot if relevant.

In reseeding teams for the playoff rounds, the tournament will try to avoid duplicate games between teams unless the game is still in the divisional championship stream. For consolation games, staff will look to schedule opponents based on whether or not they have already played.

While you're here: Four ways to be waterbound

If you came to Lake Placid because you like water, you won't be disappointed. And since we like variety here, you're bound to discover a new way to make waves. So dive into this list and you'll find four ways to get wet when you're in Lake Placid. If you're not into doing it yourself, sign up for a scenic boat tour and enjoy the ride!

1. Motorboat on Lake Placid

Imagine the wind in your hair, the sun on your face, and mountains on the horizon. Boating on Lake Placid lake guarantees all of the blue sky and blue water you can handle, and it's easily accessible via the state boat launch. Hook up a pair of waterskis and cruise the waves, or just coast around enjoying the view of Whiteface Mountain. This large lake is big enough for a day-long outing.

Bonus: There's a dock at the northeastern portion of Lake Placid called Whiteface Landing, from which a trail up Whiteface Mountain can be accessed. It's only about 3.5 miles to the 4,867-foot summit, but it's a steep haul so bring food, lots of water, and allow plenty of time if that's your plan.

Getting there: The state boat launch is the best place to access Lake Placid. From downtown, simply follow Route 86 west and go straight onto Mirror Lake Drive

when 86 bends left. Follow this for about a half mile and look for the large boat launch sign on the left.

2. SUP or aqua bike on Mirror Lake

There's nothing like relaxing in Lake Placid — placid is in the name, after all — and taking a standup paddle board or aqua bike onto Mirror Lake are about the best ways to do this. Sure, one requires a little more balance than the other, but they're both a fun, unique way to experience the water. Both can be rented from a number of places downtown, so getting on the water quickly is never a problem.

Bonus: Float on over to Mid's Park when the free Songs at Mirror Lake music series is happening for the best seat in the house.

Getting there: If you're in downtown Lake Placid, you're already there. The public beach is a great place to set sail, but there are other places to launch from around Mirror Lake. Any place that rents outdoor gear can point you in the right direction!

3. Canoe or kayak Upper and Lower Cascade lakes

If you want to feel like you're deep in the

While you're here: Four ways to be waterbound

(Continued from Page 29)

Bonus: Cross the wooden footbridge at the back of the parking area to reach a path that leads to the base of a fairly new slide. Carefully continue up, through the jumble of large rocks, and you'll reach an impressive waterfall. It can be seen from Route 73, but it's way better up close.

Getting there: From downtown, head east on Route 86, then turn right onto Route 73 at the four-way intersection. You'll pass the Cascade Mountain trailhead on the right, followed by Upper Cascade Lake. Immediately after Upper Cascade Lake there's a sharp right turn — it's about 8.5 miles from the turn onto Route 73. Take that to get to the wonderful picnic area that separates the two lakes.

4. A backcountry swim in Copperas Pond

There are two approaches to Copperas Pond, and both are lovely. The longer route follows a scenic brook, skirts an area flooded by beaver activity, then ar-

rives at Owen Pond in a half mile. Next, it climbs over a hill and descends to a designated tent site on the shore of Copperas Pond, 0.7 mile from Owen Pond. There are a few good places to dive in, but the best is the large jump-off rock that's directly across the pond from the campsite.

A faster way to get to the rock is to start from the second trailhead. This half-mile hike climbs steeply for 400 feet to the crest of a hill before dipping down to the pond. Take a right to reach the rock and turn left to get to the aforementioned tent site.

Bonus: Just past jump-off rock there's a lean-to that's a great place to spend the night, and since the pond is set in a bowl it feels pretty secluded even though the road is a mere half-mile away.

Getting there: From downtown, head east on Route 86, toward Whiteface Mountain and Wilmington. The Owen Pond trailhead and parking area are on the right after about 6.5 miles. The Copperas Pond parking area is on the left in another 0.3 mile, the trailhead is on the right.

2019 INDUCTEES

We are proud to recognize those individuals and teams who have made substantial contributions to the growth and sustainability of the tournament. Our Legends of LAX truly represents both the spirit and substance of Lake Placid Lacrosse.

LEGENDS OF PLACID LAX

Roy Simmons, Jr.

Over the span of 28 years as head coach at Syracuse University (1971-1998), Roy Simmons, Jr. led the Orange to six NCAA national championships. During that time, his Syracuse teams also appeared in 16 consecutive semi-finals. He was inducted into the US Lacrosse National Hall of Fame in 1991, and is also a member of numerous other Halls of Fame. Once Syracuse University players and alumni started to gather to play in Lake Placid each summer, Coach Roy Simmons became a fixture on the sidelines, supporting his players as they competed not only for the New England Knights, but age group teams like Burning Orange, Burnt Orange, and Burnt Orange Too. With a birthday in the first week of August, Roy is likely to spend the big day each year in Lake Placid, celebrating with his many former players and their families.

LEGENDS OF PLACID LAX

Paul Rose

Paul Rose played for a number of teams in his years at Lake Placid – the Legends, High Peaks, Paladin, and Ultra legends, to name a few. He played into his 60s, despite battling cancer. Before he passed away in March of 2010, he was planning to be a player/coach of the Old Glory team at the World Games in Manchester, England that summer. He earned all-conference honors in soccer, wrestling, and lacrosse at SUNY Cortland, and graduated in 1967. Paul had a long and successful coaching career at Clarkson, SUNY Geneseo, SUNY Morrisville, and Colgate, and he has been inducted into Halls of Fame at Cortland, Geneseo, Morrisville, and the Upstate Chapter of US Lacrosse. Each year the State University of New York Athletic Conference (SUNYAC) names its Paul Rose Men's Lacrosse Coach of the Year Award in his honor. Upon his passing, former teammate Charlie Hartigan wrote, "His bright eyes and cheerful smile met all with equal enthusiasm, and to my knowledge, never complained once of his misfortune or discomfort. His courage has been inspirational."

LEGENDS OF PLACID LAX

Phil Kessler

Phil Kessler was the sponsor, organizer, and coach of the New England Knights, who competed in the Lake Placid Summit Tournament from 1992-2003. Each year it seemed to come down to the Knights vs. Sailin' Shoe for the championship, with the Knights finally winning it all in '96. The Knights featured many former and current Syracuse University players in the years before pro lacrosse became another option, and over the years, the Knights' rosters included the likes of Casey and Ryan Powell, Paul Gait, Steve Scaramuzzino, Charlie Lockwood, Matt Palumb, Greg Burns, Pat McCabe, and Ric Beardsley. By raising the level of competition, Knights games became "must-watch" events, and made more teams want to participate in Lake Placid each summer, helping to grow the overall tournament.
