

# 2020 Elk River Football – Team 129

## Elks Quarterback Club 2020 Membership Informational Handout

Elk River High School Football is administered by Elk River High School Activities Department & supported by the Elks Quarterback Club. All Elk River High School students are welcomed & strongly encouraged to participate in this program.

At the Spring parent/player meeting the Elks QB Club will have a presentation that details the purpose of the Elks QB Club, the player practice packs, the new fundraising tier system, scholarship opportunities, multi player family discounts & offsets of membership costs or volunteer credits.

Please be prepared to register & pay for your Elks QB Club membership fees at the Spring meeting, along with giving your \$200 volunteer deposit check!

We would prefer that the QB Club Fees to be paid & Volunteer check submitted as early as possible so that we can order & distribute each player's Team 129 player practice packs so they have them by the summer camps. The deadline to pay membership fees for the QB Club will be July 1 so we can order & distribute each player's Team 129 practice pack for fall practice & the season. Every player needs the Team 129 player practice pack this season. **The high school registration & fees will be done separately once the school district opens registration in July for fall sports.**

We cannot stress enough that we do not want any player to not participate because of the cost of membership. We want every player that wants to play, to be in this program! We have a three payment plan option thru online registration & other options can be made available if needed, Contact President Williams to discuss. Any player/family that has financial need should speak to Coach Hamilton or President Williams in regards to scholarship opportunities for your Elks QB Club membership. These discussions will be kept strictly confidential.

### **2020 Elk River QB Club Registration:**

**Option 1: Online registration & Credit Card payment** – registration fee is \$135 (9th-12th)
